Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Jesus Under Fire* Zondervan, 2010-12-21 Who is Jesus What did he do What did he say Are the traditional answer to these questions still to be trusted Did the early church and tradition Christianize Jesus Was Christianity built on clever conceptions of the church or on the character and actions of an actual person These and similar questions have come under scrutiny by a forum of biblical scholars called the Jesus Seminar Their conclusions have been widely publicized in magazines such as Time and Newsweek *Jesus Under Fire* challenges the methodology and findings of the Jesus Seminar which generally clash with the biblical records It examines the authenticity of the words actions miracles and resurrection of Jesus and presents compelling evidence for the traditional biblical teachings Combining accessibility with scholarly depth *Jesus Under Fire* helps readers judge for themselves whether the Jesus of the Bible is the Jesus of history and whether the gospels claim is

valid that he is the only way to God *The publishers weekly* ,1984 *American Book Publishing Record* ,1998 Ready with an Answer John Ankerberg,John Weldon,1997 Nationally recognized authors and researchers John Ankerberg and John Weldon answer the top ten questions skeptics usually ask with powerful evidence for the truth of Christianity From creation to salvation to the second coming of Jesus this book explores the uniqueness of the Christian faith Readers will discover the historical scientific and religious facts and concepts that confirm God s Word and the lifesaving work of Jesus Christ **Won by One** Ron Rand,1988 **The Catholic Periodical and Literature Index** ,1983 **Stronger Than Steel** Robert Charles Sproul,1983-07 **Sherlock's Faith** Frank Harber,2004 As an atheist Frank Harber set out to prove that God did not exist In an intense investigation he studied the nine major world religions and uncovered startling evidence Sherlock s Faith guides the reader through the evidence and provides the investigator with the tools to study the case using the art of investigation and deductive reasoning The reader is challenged to examine the evidence just as Sherlock Holmes would and draw a conclusion based on the evidence Inside the pages of this book you will find remarkable information that can only lead to one amazing conclusion *The Catholic Library World* John M.
