The Bastard Princess Jackson Lee,2025-01-13 In the opulent courts of an ancient kingdom the story of The Bastard Princess unfolds a tale of betrayal power and a young woman's quest for her rightful place in a world that has always turned its back on her Born from the illicit affair between the reigning king and a common woman Lady Isolde has spent her entire life in the shadow of her true heritage Though she carries the blood of royalty she is neither recognized as a princess nor afforded the luxuries or privileges of one Instead she lives on the fringes of court society seen by many as a stain on the royal family's

honor Isolde has always known she was different Her appearance is strikingly regal her intelligence sharp and her courage undeniable but none of that matters in a kingdom where bloodlines and titles hold more power than anything else Her mother the woman who raised her with love and care has long passed away leaving Isolde to fend for herself in a cruel world that is quick to judge and slow to forgive She has always dreamed of a life outside the confines of her status but she is trapped in a gilded cage surrounded by nobility who treat her like an outsider and a king who barely acknowledges her existence Despite being ignored by the royal court Isolde is far from powerless Beneath her poised and composed exterior lies a fierce desire to claim what is rightfully hers to expose the truth of her lineage and assert her place in the kingdom As the kingdom's politics become ever more unstable she senses an opportunity the king's reign is faltering and whispers of an impending war stir in the distance The nobles grow restless and many see her as a pawn in their games But Isolde has plans of her own When she is unexpectedly summoned to the royal palace by the king her father though she has never been acknowledged as his daughter Isolde's world is thrown into chaos The king now an aging and frail man is desperate He is slowly losing control of the throne and his heirs are too power hungry and untrustworthy to maintain order In a final act of desperation he asks Isolde to play a pivotal role in the kingdom's future But this request is not out of love or family loyalty it is a cold calculated move to secure his power using his bastard daughter as a tool to restore his reign Isolde torn between her desire to take her place as the true princess and the need to protect her people from the political games being played around her agrees to enter the court However she knows that if she is to rise she must not only navigate the treacherous waters of court politics but also confront the centuries old stigma of her birth Many in the kingdom still see her as nothing more than a bastard and her claim to the throne is questioned by everyone even those closest to her [Blind Prince Meets His Pretty Princess](#) Yue ShangBanWan,2019-12-28 Before losing his memories he wanted to kill him because this was his mission After the disappointment love has been born for a long time deep in love He remembered the past but he could not choose to stay or to stay In the face of a foster father one has feelings and loyalty In the face of a lover one has love and one has obsession How do you choose between the two To love but not be able to yet not be able to let go *Bastard Princess* K. D. Carter,2017-05-25 Isabel was born with amber eyes like a lion and brought into a world that is changing fast under her feet dragging her along with it Everyone within the five kingdoms knows the story of their country's birth but the legend of the lion eyed child is a mere whisper in history a portent of chaos and disruption Great noble men and women turn into looming shadows and silent monks into strong revolutionaries The good into the best the bad into the worst Abandonment unrequited love deception and scheming will be her future But there are many who believe the gods shine on those who follow and Isabel will bring balance to a country divided The one sent to save the people For to be born with amber eyes is rare in Dahrian This has always been so [The Princess and the Stag](#) JP Roth,2021-06-19 Even without wings a true goddess will find a way to fly Sentenced to death by the damning testimony of the only man she trusts Velvet is rescued by

Nora Hartington bastard daughter of King George III stunning socialite turned pirate queen On the high seas Velvet is stolen by the duke who betrayed her He takes her aboard his own vessel in the throes of a black storm and claims that by proxy and the king's decree she is his alone Velvet is haunted by a magic she held used and now regrets with all her soul A dark collection of precious stones hosting ancient powers which once transformed a frightened prince and princess of France into a snow white owl and a golden stag With the full force of the British monarchy and Napoleon's army closing in Velvet's haven is also her doom In the lush bed of the captain's cabin Henry attempts to hold Velvet to a vow she did not make Tossed and battered by waves tall as mountains locked in a passion neither can escape they are victims to the gods of the deep Shipwrecked and washed to the white shores of a storied pirate retreat Ile Sainte Marie island of legend and birthplace of the magic which has shaped Velvet's life and threatens to steal everything she loves Ghosts enchantments lost loves and bloody sacrifice teach Velvet that time and reality are fragile varied sparkling dimensions just out sight and the things that truly matter always come with the steepest price

Enchanting Ugly Princess Hong Ying,2020-10-13 Everyone called her stupid laughed at her because she was ugly and bullied her for being stupid She was the grand young mistress of the Duke's Mansion but she dared to shit on her head even when she was a servant In the 21st century the policewoman came over and the scenery was beautiful and beautiful The slut evil girl stood by the side and the heartless prince didn't come again Mad Phoenix defied the will of the heavens Cultivating the cannon emplacement gathering talent and building weapons Whoever bullies her will die a horrible death whoever insults her will die a horrible death
