Battle Ready Tom Clancy, Tony Zinni, Tony Koltz, 2005-05-03 Marine general Tony Zinni was known as the Warrior Diplomat during his nearly forty years of service His credentials as a soldier were impeccable whether he was leading troops in Vietnam commanding air raising rescue operations in Somalia or as Commander in Chief of CENTCOM directing strikes against Iraq and Al Qaeda But it was as a peacemaker that he made just as great a mark conducting dangerous troubleshooting missions all over Africa Asia and Europe and then serving as Secretary of State Colin Powell's special envoy to the Middle East before disagreements over the 2003 Iraq war and its probable aftermath caused him to resign Battle Ready follows the evolution of both General Zinni and the Marine Corps from

the cauldron of Vietnam through the operational revolution of the 70s and 80s to the new realities of the post Cold War post 9 11 military a military with a radically different tools for accomplishing it Opinions differ sharply about just what that job and those tools should be and General Zinni makes it clear where he stands The Technology Of Warfare Prayer In The Battle Of Life Tella Olayeri,2023-05-19 This is another volcanic eruption spiritual prayer book loaded with divine wisdom We grow in the Lord to conquer and have intimacy with him In the absence of prayer technology we beat about the bush This book makes us to be a violent soldier of God that removes mountains without fear to get result Life problems are like trees they have root We must uproot the tree before we can have peace Without prayer technology we may deal with the leaves branches and trunk instead of the root This prayer book will empower you to find the root of what you are fighting and uproot it to have result Christians must learn how to store prayer machine in storage and provide energy to pray This book tells the steps needed to excel in prayer and make you a champion Mountains are removed Satan and his agents are rebuked with prayer machine Internal bondage is broken and internal instability is nullified Vacuum of God is loaded with light of God that build palace of salvation in the heart The Lord knows we are skeptical of mountains This is the reason he guides our destiny against mountains that stand on our way God wants us to be recognized lifted honoured and fulfil our goal However in the journey of life we battle dark forces assigned to reduce us to nothing Such forces prevent us from moving forward and achieve our purpose in life What they create is mountain Mountains represent the immovable and the impossible powers that delay success It takes different shapes and sizes It may be almost too steep to climb almost too high to cross and almost too awesome to see beyond If you are not rooted in prayer awake and be ready to fight the battle of life The enemy awaits you at every point you want to succeed The enemy contends with your prosperity If you are aiming high in life you need this book It will teach you how to be prayerful because the enemy wants to control you Prayer is an ingredient of success not a religious activity Prayer is intimacy with immortals and to attain the height you must carry the DNA of Jesus Christ in prayer Above all this book will open your eyes to spiritual liberation and deliverance It will enable you to think right and learn from mistakes The book will empower you among other things to do wonders in life and achieve the followings 1 It will end worry and problems that snare at you in the spirit and in real life 2 It will break every witchcraft cage and slaughter powers behind it with prayer 3 It will break every witchcraft chain that keeps soul in perpetual bondage 4 It will break the power of darkness so that you don t lick your wounds 5 It will make you avoid growth in decay that leads to disaster 6 Mountains are removed and or grounded to a plain to advertise the glory of God in your life 7 Every enemy of your promotion shall be silenced 8 Your foundation is addressed for breakthrough success and joy 9 Hostility of the enemy against you shall be addressed until enemies are put to flight 10 Oil of peace shall flow in you and doors of success shall open to you It is time to apply prayer technology to every situation that concerns us This book is the answer Have yours pray it excel and be full of life to Jesus Christ **YEAR OF ENLISTMENT, THE MUSICAL** Jeanne Gossett Halsey,2018-10-24 The scenario is a year in the lives of

four New Soldiers in the Army of God It is a metaphor for Christian life today The analogy that Christians are supposed to be warriors for the Kingdom of God is not new I do not believe our local churches are supposed to be luxurious day camps for pampering self indulgent babies rather I believe new believers should hit the ground running learning about spiritual warfare from the outset and even with our own mistakes hurts frequent breakdowns we are destined to win others who are caught in the darkness of sin and point them to the light and salvation offered by Jesus Christ The militant church is a favorite theme of mine
