Battle Of The Bulge The First 24 Hours:

Battle of the Bulge David Jordan,2003 *Battle of the Bulge The First 24 Hours* tells the dramatic story of the first day of the Ardennes offensive explaining in detail how the Allies were taken by surprise and the events that occurred along the length of the front as the Germans attempted to break through the Allied lines The book begins with an overview of the situation in the west in late 1944 describing the German plans as well as their successful efforts to mask the build up of their forces It also examines the Allied high command s complacency highlighting how they became lax in their attention to Ultra decrypts leading them to believe the Ardennes region was secure This is accompanied with an in depth analysis of Hitler s strategy and the dispositions of both the German and the American forces in the Ardennes region in December 1944

Battle of the Bulge David John Jordan,2003 *Shadows of Slaughterhouse Five* Ervin E. Szpek, Frank J. Idzikowski,2008 *Shadows of Slaughterhouse Five* chronicles the story of 150 American POWs captured in the Battle of the Bulge and eventually caught up in one of the greatest tragedies of World War II the firebombing of Dresden This collection includes oral histories previously unpublished memoirs and letters from home and from the front that together tell their compelling story in their own words From simple hometown beginnings through the awakenings of military life in basic training from assignment on the supposed quiet zone in Belgium to the unexpected Battle of the Bulge from forced march and entrainment to eventual assignment on work details in Dresden the Florence of the Elbe to the inferno of Dresden on February 13 14 1945 and the gruesome work details to follow the individual and collective recollections and reflections of these 150 young men the men housed in the famed Slaughterhouse Five reveal a very personal side of war and the struggle for survival Yet repatriation did not bring closure to this chapter of their young lives for like shadows their memories would forever be part of them Today more than sixty years after the firebombing of Dresden the statue of a steer wishing health and happiness to the citizens of Dresden still stands at the entrance to the public slaughterhouse a silent witness to the maelstrom that descended upon Dresden and this group of 150 American POWs housed within Now after more than 60 years of silence for most of these men Kurt Vonnegut s fellow POWs tell their story of Slaughterhouse Five in their words as they saw it dog face young soldiers assured that the war was soon to be over *Battle of the Bulge* David John Jordan,2006

United States Army Combat Forces Journal ,1964 *Air Defense Artillery* ,1989 *ADA.* ,1989 Atlas of World War II David Jordan,2004 Features all the major battles and campaigns of World War II from the invasion of Poland in 1939 to the defeat of Japan in 1945 Specially commissioned maps are accompanied by action photographs and detailed annotation
