## **Battleground Fact Fantasy In Palestine:**

**Battleground** Shmuel Katz,2002 **Battleground** Samuel Katz,2002 Key problems conflicts and decisions in Israel s past and present are analysed in this fully documented dramatic history of the turbulent events that have shaped the crisis in the Middle East From the questionable policies of the British both in the Mandate era and in 1948 to the debate over the return of territories won in the Six Day War and the war of attrition that spills over into the rest of the world this book carefully examines Israel and its relationship to the rest of the Middle East as well as the rest of the world *Battleground* Samuel Katz,1973 Routledge Companion to the Israeli-Palestinian Conflict Asaf Siniver,2022-10-27 This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict *1001 Facts Everyone Should Know about Israel* Mitchell G. Bard,Moshe Schwartz,2005-11-01 Hardly a day passes when Israel is not in the news Virtually all the press coverage however is about the conflict between Israel and her neighbors There is so much more to Israel that is positive and should be better known This book provides essential facts about not only the political events in the news but also the positive contributions Israel is making in the arts and sciences It describes some of the remarkable sites and people that make the country unique This is not a recitation of facts and figures but a mosaic of the most important aspects of Israel s past and present The book will entertain those interested in some of the fascinating trivia about Israel and inform those doing more serious research about the economy government and culture of the Jewish State *The Jewish Presence in Palestine* Shmuel Katz,1900 **The Indictment** Sabina Citron,2006 Crucial to understanding the situation in the Middle East is a grasp of the nature of the conflict as well as its historical roots **Israel Warrior** Shmuley Boteach,2023-12-12 In light of the October 7th massacre of fourteen hundred Israeli and American Jews at the hands of the savage terrorists of Hamas and the brazen tsunami of antisemitism that has been overtaking the media and college campuses it s now time to fight back It s time for the rise of the Israel Warrior Rabbi Shmuley Boteach provides the information that will win the war for Israel in the marketplace of ideas and publicize the justice of Israel s cause The Israel Warrior is an electrifying journey through the murky waters of Middle

East muddle that allows the reader to finally understand the truth about Israel and the genocidal enemies who will stop at nothing to destroy it The Israel Warrior is for those brave souls prepared to take up the cudgel in defense of the only democracy and human rights protecting republic of the Middle East and the first Jewish state in two thousand years

**Refuting the Anti-Israel Narrative** Jeremy Havardi,2016-04-12 In recent decades Israel has come under sustained diplomatic pressure from the West According to the press and the policy establishment she acts aggressively and with disregard for civilian lives in pursuit of an unnecessary and illegal occupation of Palestinian territory Others view the country as an embarrassing outpost of colonialism racism and apartheid whose actions and those of the pro Israel lobby have provoked a fiery Islamist backlash This book refutes these misrepresentations showing that Israel s actions are well within the norms of international law and morality and arguing that the country far from being a deviant state is a bastion of Western values The author offers a nuanced narrative outlining the legal moral and historical justice behind Jewish statehood and discussing the reasons behind the failed peace process in recent years *Does God Play Favorites?* Jim Gerrish,2000

*The Media's War Against Israel* Stephen Karetzky,1986 **The Zionist Revolution** Harold Fisch,1978 **Israel on a Budget** Nava Bloch,1989 **The Ascendance of Israel's Radical Right** Ehud Sprinzak,1991 The Israeli people were stunned in 1984 when they learned of a barely averted plot to blow up five buses full of Arab passengers and an earlier attempt to blow up the Dome of the Rock the holy Muslim mosque in Jerusalem Even more shocking was the discovery that the terrorists in question were not a bizarre radical sect but members of the Gush Emunim the Block of the Faithful a fundamentalist group committed to establishing Jewish settlements in the West Bank For the first time Israelis had to confront the fact that the rise of the Radical Right and the religious fundamentalism extreme nationalism and aggressive anti Arab sentiment associated with it was becoming a significant part of the nation s public life The first book to examine the origins convictions and political impact of the entire Radical Right *The Ascendance of Israel s Radical Right* provides extraordinary insights into a political camp whose influence pervades Israeli politics and culture as well as Arab Israeli relations Sprinzak traces the Zionist roots of the Radical Right and its reemergence following the Six Day War and the Camp David accords He examines the increasing control of the Radical Right over the settlements in the West Bank its penetration of more moderate parties such as Likud and the National Religious Party and its reaction to the Intafada and the Persian Gulf Crisis With in depth portraits of the major movements including the Tehiya Tzomet and Moledet parties Gush Emunim and the late Meir Kahane and his Kach party and various underground or terrorist groups he sheds new light on the people and events which produce such intense fervor and on their political beliefs for instance the views that Arabs should be transferred from the occupied territories and that Israel was founded to establish a safe home for the Jews not to protect the human rights of the Palestinians Sprinzak argues that approximately 20 to 25 percent of Israeli citizens share the convictions of the Radical Right and that it is especially strong among the young Indeed as the message of this camp spreads throughout

the country Sprinzak predicts that the Radical Right's impact on Israeli politics and national security will only increase As  
The Ascendance of Israel's Radical Right shows the Radical Right is not as is often thought a small lunatic fringe but a major  
school of Israeli Zionism whose ideas are propagated by sophisticated and thoughtful leaders with large public appeal  
Understanding what the Radical Right has already achieved and how it is currently shaping much of Israel's government  
agenda is important for every Israeli and Arab as well as anyone who is concerned with the future of the Middle East
