Be Somebody:

Playing Nice Mary Jo Festle, 1996 Few aspects of American military history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan In this carefully crafted volume Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons surveys the major debates related to that decision and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945 He then provides a historical overview of the events in question beginning with the decision and program to build the atomic bomb Detailing the sequence of events leading to Japan's surrender he revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders Finally Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents scholarly books and articles

The Tragedy of Stealing D. K. Olukoya, 2014-10 Whether you take something that is not yours or you withhold the belongings of others whether you evade prompt payment of debts or you extort from people It is all stealing This book highlights the reasons why people steal the different kinds of stealing and the consequences of stealing It goes on to give us the prescriptions for overcoming stealing and what to do in order to come out of the cage of the spirit of stealing

[The Routledge Reader in Early Childhood Education](#) Elizabeth Wood, 2020-09-10 Early childhood education has always provoked passionate feelings amongst stakeholders at all levels from practitioners working with children and families in pre school and school settings to advisers managers politicians and academics The purpose of this reader is to examine change transformation and continuity and to present indicative scholarship in relation to five key themes theoretical perspectives on learning curriculum and pedagogy play policy professionalism and research methods Within each theme the readings have been chosen to exemplify national and international perspectives and trends This is not to present a homogenised view of early childhood provision and services across cultural contexts rather the intention is to take a critical perspective on past present and future directions and to identify some of the challenges dilemmas and contradictions posed in research and scholarship
