William L. Shell, 1975 *Lead Like You Were Meant To* Rob McKinnon, 2020-09 The best leaders keep learning new ways to grow Every good leader shares a common trait they want to keep getting better But eventually most encounter a setback the limits of their own self development To overcome this they must address their personal leadership DNA the individual wiring that makes them naturally gravitate toward certain solutions and shy away from others As a master leadership coach Rob McKinnon knows that the most powerful and lasting growth starts from within A leader must address how he or she thinks feels and acts while also identifying their core beliefs Until these dimensions are recognized and developed leaders will continue to do things the same way they always have and get the same results *Lead Like You Were Meant To* helps overcome three critical roadblocks leading too much on autopilot

leading with less than 100% of what the leader possesses and failing to see the common link between their greatest strengths and greatest weaknesses Witty tweets quick fix seminars and do it my way because it worked for me books don't cut it for the personal lasting growth that leaders want Instead high impact change begins with the customized inside out self leadership skills that McKinnon presents Filled with real life stories powerful frameworks and practical tools this book offers comprehensive leadership development that endures **Be the Leader You Were Meant to be** LeRoy Eims,1975 This book is as down to earth and practical as your everyday shoes In fact it's a must if you feel that God has any type of leadership role in mind for you or if He has already given you a job leading others *Get REAL*. Steve Charlton,2023-10-06 Get REAL Be the leader you were meant to be Anyone can lead You might not see yourself as a leader but everyone has it inside them to step up make an impact and get results when they need to Look at most parents they're doing that on a daily basis Look at what teachers and medical professionals do During the Covid 19 pandemic none of these people were given any coaching or encouragement they just had to do it They had to step up take control and inspire when many other leaders were running around like headless chickens It was these everyday leaders we looked up to for support REAL leaders who communicated with us kept everything running and kept us safe They're probably the last people to call themselves leaders but the impact of what they do is obvious they were and are leaders And that's because they have those leadership qualities inside of them We all do You do too Be a Motivational Leader LeRoy Eims,2012-07-01 In today's tough business climate leaders are often driven by the bottom line But focusing on results can devalue the most critical part of success Your team So how can we shift our perspective from profits to people Simple We redefine what it means to lead This is a revolutionary and biblical guide to the art of leadership Developed by renowned leadership coach and author LeRoy Eims *Be A Motivational Leader* provides an insightful practical look at the 12 essential qualities of a leader You'll discover how to Build personal character to build your team Take responsibility in your life and job Cultivate both professional and personal success Mentor and develop new leaders Model achievement to those around you Throughout you'll be challenged to grow encouraged to lead with integrity and inspired to help your team catch a vision bigger than their own **The Effective Leader** Lorna Weston-Smyth,2023-09-05 *Unlock Your Leadership Potential and Create a High Performance Team* The Effective Leader is a game changer in the field of Leadership development programs It provides the ultimate guide on how to take your leadership to the next level and create a team of engaged and empowered individuals who will deliver outstanding results Get ready to maximize employee engagement and cultivate a culture of collaboration within your organization Transform Your Leadership and Achieve Unprecedented Success Take the first step towards becoming an effective leader and revolutionize how you lead high performance teams With *The Effective Leader* you will learn how to Take your leadership skills to the next level Create a team of engaged and empowered individuals Build a team of engaged and empowered individuals Create a high performance collaborative team Develop a company culture that makes you an employer of choice Take the plunge and step up your game
