Beach Boys In Their Own Words:

The Beach Boys in Their Own Words Nick Wise, Beach Boys, 1994-01 Few groups in the history of rock have washed their dirty laundry in public as enthusiastically as The Beach Boys If Mike wasn't criticising Brian and Dennis for their errant ways then Dennis was telling Mike to go take a hike and while Brian was up to his neck in sand and dope Carl was simply wishing everyone would stop bickering and get on with it while poor little Al just shrugged his shoulders and shut up like he was told And along came Bruce who took his cue and waded in like the best of them [Good Vibrations](#) Mike Love, James S. Hirsch, 2017-09-12 Now in paperback the New York Times bestselling Good Vibrations tells the story of Mike Love's legendary raucous and ultimately triumphant five decade career as the front man of the Beach Boys the most popular American band in history As a founding member of the Beach Boys Mike Love has spent an extraordinary fifty five years and counting as the group's lead singer and one of its principal lyricists The Beach Boys from their California roots to their international fame are a unique American story one of overnight success and age defying longevity of musical genius and reckless self destruction of spirituality betrayal and forgiveness and Love is the only band member to be part of it each and every step His own story has never been fully told of how a sheet metal apprentice became the quintessential front man for America's most successful rock band singing in more than 5 600 concerts in twenty six countries Love describes the stories behind his lyrics for pop classics such as Good Vibrations California Girls Surfin USA and Kokomo while providing vivid portraits of the turbulent lives of his three gifted cousins Brian Dennis and Carl Wilson His partnership with Brian has few equals in American pop music though Mike has carved out a legacy of his own he cowrote the lyrics to eleven of the twelve original Beach Boy songs that were Top 10 hits while providing the lead vocals on ten of them The band's unprecedented durability also provides a glimpse into America's changing cultural mores over the past half century while Love himself has experienced both the diabolical and the divine from Charles Manson's family threatening his life to Maharishi instilling it with peace A husband a father and an avid environmentalist Love has written a book that is as rich and layered as the Beach Boy harmonies themselves **Surf's Up: Brian Wilson and The Beach Boys** Peter Doggett, 2025-11-06 Particularly poignant tasteful and compassionate Shindig Capturing all the pain and glory of this incredible family saga Surf's Up is the definitive tribute to a remarkable band and the genius who made it all possible If any man in pop history deserved the tag of genius it was Brian Wilson As leader producer and chief composer of the Beach Boys he displayed an instinctive command of melody harmony and arranging skills The result was a run of hits that included many of the most sparkling and creative records of the 1960s But there was a dark side to this seemingly effortless success rooted in his tortured family background No sooner had Brian masterminded such gems as the Pet Sounds album and Good Vibrations than his psychological demons began to derail his life The Beach Boys were left struggling for survival grasping for salvation from such bizarre figures as TM guru the Maharishi and cult leader Charles Manson Their story could have ended there but somehow the band survived

Ahead lay decades of trauma triumph and tragedy as the band members all developed as songwriters but also found themselves increasingly at odds with each other Through it all the music survived as Brian s younger brother Dennis Wilson emerged as an equally creative but troubled presence Surf s Up sees lifelong Beach Boys fan Peter Doggett capture all the glory and pain of this complex family saga He celebrates the band s array of musical gems and also explores many of their passionate obsessions from surfing and cars to politics and food Filled with drama and pathos Surf s Up is the ultimate tribute to a remarkable band and the genius who made it all possible

Becoming the Beach Boys, 1961-1963 James B. Murphy,2015-06-08 They were almost The Pendletons after the Pendleton wool shirts favored on chilly nights at the beach then The Surfers before being named The Beach Boys But what separated them from every other teenage garage band with no musical training They had raw talent persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade Following the musical vision of Brian Wilson the Beach Boys blended ethereal vocal harmonies searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music Drawing on original interviews and newly uncovered documents this book untangles the band s convoluted early history and tells the story of how five boys from California formed America s greatest rock n roll band

Rock Stars Do the Dumbest Things Margaret Moser,Bill Crawford,2024-06-04 Aerosmith Elvis Presley Michael Jackson Nine Inch Nails Ozzy Osbourne U2 What do all of these artists have in common They re rich and rowdy rock n roll renegades whose wild stunts dumb quotes and out of control lifestyles are featured in Rock Stars Do the Dumbest Things Where else will you find an explanation goodness knows we need one of the Spice Girls fourteen and one half minutes of fame straight from the mouths of babes Baby Spice that is We re like a religious cult Or where will you learn Izzy Stradlin s of Guns N Roses deep thoughts on the virtues of vomiting out of a bus going sixty five miles an hour And how live octopuses end up in a bathtub with Led Zepplin s female playmates Whether you re a Metallica or Madonna fan you ll get plenty of jaw dropping facts and anecdotes along with biographical and career highlights of over eighty eight raunchy rock n rollers From current stars like Marilyn Manson and Courtney Love to classic rockers like the Rolling Stones and the Eagles Rock Stars Do the Dumbest Things is proof that rock music is still crazy after all these years
