The Junky's Christmas Elisa Segrave,1994 If you are part of a nuclear family with 2 4 children living in the suburbs then Christmas is an idyllic moment to savour the satisfaction of a life well lived The eighteen contributors to The Junky s Christmas write with elegance and compassion from behind the myths and the fairy tales [Beano Cheques](#) Michael O'Mara Books, Limited,2004-07-01 [The Blood Eagle](#) Peter Henry Emerson,1925 **Writing Talk** Alex Hamilton,2012 In his long career in literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life s work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It s a book that contains many surprises in the revelations given by some of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk [Tales from Daler Cottage: Unearthing the Hidden Messages within my Children's Stories](#) Madeleine Watson,2019-03-11 A troubled writer s true story into a hidden past via her children s mysteries Between the ages of nine and sixteen 1975 1982 I wrote a series of children stories unaware of the dark truths hidden within My childhood home Daler Cottage was my world but was also a place of secrets I kept a diary at the time These eighties childhood journals have provided a window into my thoughts and experiences whilst I wrote these stories Now decades later a shocking discovery at the age of 51 has enabled me to peel back the layers to see ominous messages seeping upwards like oil rising from the earth In this book I have set out these unsettling discoveries about my past after a decoding process Through the lens of my diary I have laid bare the dark undercurrents of these innocent tales This book is not a biography nor about my family but an exploration of these hidden truths Come along as I unravel the mysteries of my childhood writing the terrible truth laid open to see how even the most innocent of children s stories can hold the darkest secrets With illustrations and diary excerpts
