Basic Discipleship:

Basic Discipleship Rosemary Rayner, 2018-05-27 This book goes through the basic principles of Christian discipleship But what is discipleship What does it mean to be a disciple of Jesus Read this book and discover the true meaning of Christian discipleship

Basic Discipleship Lessons - Additional Resources Mónica Mastronardi de Fernández, 2018-04-19 These two books Basic Discipleship Lessons and its companion Basic Discipleship Lessons Additional Resources have been designed to guide the new believer in their first steps as a disciple of Jesus as they prepare for baptism and then membership in the Church of the Nazarene Both resources are part of Level B of the ABCDE Discipleship Plan The Basic Discipleship Lessons contain the lessons that are studied weekly a guide for the disciple and a guide for the discipler The lessons help us learn from the Bible while guiding the new disciple to put each new teaching into practice in their life The Additional Resources book contains resources to delve into the topics of study such as how to do daily devotions how to read the Bible and learn from it and a dictionary of Christian words

Simple Discipleship Dana Allin, 2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don't know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy

A Biblical Theology of Christian Discipleship Johnny Turner, 2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ

Basic Discipleship 101 Ron Hordyk, 2018-04-10 For we are God's fellow workers you are God's field God's building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3:9-10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which

causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101 *Basic Discipleship* Charles Abraham,2023-03-14 Foundations are very important to the durability and viability of a building Foundations are not things that are obvious you won t see them because they are mostly under the ground substructures they are things that undergird But I can tell you if you compromise on your foundation it will eventually show up in your building later on The purpose of this book is to help lay the right foundation for your walk and faith in Christ For you to be a good disciple of Christ you have to be grounded and rooted in the right foundations in Christ So I want you to pray that in this season God will open your heart and you will receive knowledge and wisdom and you will apply it to your life I want you to pray that the presence of the Holy Spirit will put these words deep in your heart and you will never forget them because we are beginning a journey that is going to last you for eternity and you must start well **Class Leaders** David Lowes Watson,2002-04-30 In 1988 The General Conference of the United Methodist Church restored class leaders and class meetings to the Book of Discipline after an absence of fifty years In this volume David Lowes Watson explains what the recovery of this tradition can mean for congregations and offers some guidelines for the revitalized office of class leader Adapting the later Methodist class meeting as a pastoral subdivision of the congregation Watson shows how class leaders under the supervision of the pastor can nurture the discipline of other church members in light of a General Rule of Discipline derived from the early Methodist societies To witness to Jesus Christ in the world and to follow his teachings through acts of compassion justice worship and devotion under the guidance of the Holy Spirit This volume is the second in a trilogy Covenant Discipleship Class Leaders and Forming Christian Disciples **Basic Discipleship - Training Manual** Robert Daley,2018-06-30 Once upon a time there was a Fabulous Incredible Magnificent Loving Unequaled Creator God who immensely desired to have Himself His own Family He created a huge spacious Universal playground for His soon expected children filled it with beautiful starry toys and anomalies for them to enjoy and creatively experiment with and brought forth other Moral Life creatures for them to interact with and subsequently have fellowship together When the time was just right this Single Parent created a Mini Me Express Image Human Xerox Carbon Copy son and daughter and gave them the

privilege of helping Him build His desired Family to exponential proportions through granted reproduction Of course He wanted them to love Him fervently but He preferred to have that love be their chosen desire so He gave them a Free Will rather than have them behave and function robotically Some of the friends that He had created for His children to interact and play with rebelled at their assignments They chose to go their own way and do their own thing so a very real schism developed within the playground Right at the outset of the Personal Divine Family development these bratty friends persuaded the new Divine children to join them in their rebellion and the children left their Heavenly Father and ran away from home Throughout all of these activities the Loving Heavenly Father God kept a journal He recorded precisely just what had happened and expressed His deep sorrow for the outcome of what had taken place However He was not content to simply allow His rebellious children to run amok forever so He prepared a genius of a plan to restore the unity of His Family once again It s all recorded within the journal and the invitation to return home has been extended today to every Mini Me Express Image Human Xerox Carbon Copy individual on planet Earth regardless of race color or creed We have all originally come from a broken home and the debilitating effects which that breach causes but our Loving Heavenly Father God wants us to repent of our rebellion and return unto Him as all prodigals should He has graciously extended forgiveness to whosoever responds to the clarion calling and yearns for Family unification once again Won t you make that decision to come back home with rejoicing in your heart

Centering Discipleship E. K. Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus

Basic Discipleship the a B C of the Gospel Jorge L Ortiz Rivera,2024-11-02 This is the first book in a series of books dedicated to discipleship Usually when a person accepts the Lord as his savior he begins to visit the local church But we are in a Sunday school where topics are discussed that although we can understand what is being discussed we cannot always digest or get the best out of biblical teaching Why does this happen This is because although they are speaking our language we are not mature enough in spirit this is because we have not been taught the a b c of the gospel This book is about those basic teachings that in most cases we are expected to know but how that is possible if no one in the churches is teaching it The Christian is expected to know how to do a daily devotional and to have a firm faith based on the Bible but no one teaches us that we should believe where in the Bible it says so what our statement of faith is and in which biblical texts it rests How can we grow spiritually if we read the Bible but don t know how to do a personal Bible study for our benefit That s what we re going to focus on in this series of books called the a b c of the gospel Each book emphasizes an area that we as Christians must know and understand so that we can clearly articulate our faith This series of biblical teachings is designed to benefit both the new convert and the one who has been in the church for more than twenty years

Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in

each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you
