A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

A Dangerous Report J. Harold Ellens,2014-02-28 This volume is tightly packed with surprising insights one simply does not normally hear from the

pulpit but yet are so obviously implied in the biblical narratives of Christmas and Easter Dr Ellens has a unique way of cracking open familiar biblical sentences and stories and spilling out an entirely fresh cornucopia of life changing insights about the radical nature of the good news about God's grace Ideas and metaphors from the Bible that we have heard or read so often that they have become routine and cliché suddenly flower with refreshing new meanings and intimations Dr Ellens carefully and cogently expressed biblical interpretation and sermon oratory incarnate God's truth and bring to lively new vitality a vivid experience of God as the driving force of Divine Spirit in our personal lives and in history Preaching has seldom been this engaging powerful and spiritually empowering This warm hearted book is a clear and clarion call for one central theme God's radical uncalculating unconditional and universal forgiving grace Claims for God's redemptive presence and intent for our world that pulpiteers have often feared avoided or failed to see in the center of the gospel are here set forth with unapologetic boldness Dr Ellens trumpet is not muted at any point Obviously this hearty soul has a passion for the spirit a stimulating mind and an informed pastoral appeal for life changing encounters with the biblical story and of the insinuation of God's self into human and historical life at Christmas Easter and all other times *Preaching and Praying as Though God Matters* Ronald P. Byars, 2022-10-14 We in mainline churches are uneasy maybe even scared Why are our voices not heard After all we are the reasonable Christians the updated Christians the respectable ones who have dominated the cultural landscape since colonial times This book presumes that trying to reverse the loss of our traditional status in society is both futile and beside the point What's called for when we find ourselves in a state of crisis is to rediscover the big picture the Christian hope projected on a large screen This requires the courage to revisit the sources from which all Christian hope springs rediscovering their life giving power That power rises from the counterintuitive affirmations of the gospel represented in Christ's incarnation his healing the afflicted his raising the dead his vulnerability his cross resurrection and universal restoration Acts 3:21 Preaching and worship that embodies and lifts up the hard parts the life giving parts is neither fundamentalist nor an exercise in nostalgia It is rather evidence of confidence in the triune God who makes the unknowable known The Good Shepherd promised My sheep hear my voice I know them and they follow me John 10:27 And when they do they will *Preacher* David H. C. Read, 2017-06-21 This book introduces David H C Read to a new generation through sermons that are not merely elegantly worded and biblically grounded but packed with life experience that included a five year stint as a prisoner of war during World War II From amongst the almost 1500 sermons that Read preached during his ministry in Manhattan John McTavish has selected forty enduring messages that show David Read justifying Time magazine's assessment that Read is not merely elegant and literary his words carry authority through his thought runs a strain of deep feeling and faith capable of convincing others **Books in Print**, 1994 *Publishers' Trade List Annual*, 1991 Bowker Editorial Staff, 1991-09 *Worship* Hughes Oliphant Old, 2002-01-01 Hughes Oliphant Old masterfully summarizes the worship of Israel and the early church and traces the development of worship through the period of the

Reformation He provides a sterling historical study that will be highly useful for pastors and church study groups as well as for scholars and students interested in Reformed worship An extensive bibliography of resources for the study of Reformed worship adds to the value of this book *How to Fight Being Single with Bible Verses* Miriam Kinai,2012-04-25 How to Fight Being Single with Bible Verses teaches you the awesome Bible verses you can pray say as Christian affirmations and use for your Christian meditation as well as several other things you can do to fight for your wedding ring **The Term Catalogues, 1668-1709 A.D.: 1697-1709; and Easter term 1711.
