

This is a very old story as Batman stories go. It happened in the days when the Dark Knight had just taken under his wing a young boy, dressed in red, yellow and green.

At first, they seemed an incongruous pairing. The knight seldom spoke, standing like a pillar of muscled darkness, while the boy was seldom still, dashing about like a ray of laughing sunshine.

However, it soon became obvious that some unbreakable bond held the two, despite their differences. Both had looked upon the face of tragedy, and been forever changed.
