

## Efficiency of Diagnostic Assessment

- **“Because they are expensive and time-consuming to administer, diagnostic tests should not be given routinely to every struggling reader in a class or grade.” (Torgesen, 2004)**
- **Use screening, progress monitoring, and outcome assessments, and specific program placement tests to obtain initial information to guide instruction whenever possible.**
- **“Diagnostic measures should be used only in cases where there is a high probability they will provide new information to help plan more effective instruction.” (Torgesen, 2004)**
