Andy Russell's Adventures with Wild Animals Andy Russell, 1978 Seven tales feature the grizzly bear the elk the coyote the mountain goat the great horned owl the cougar and the otter in their worlds and in confrontation with humans [Andy Russell's Campfire Stories](#) Andy Russell, 1998 As the dark closes in and the fire settles down to a deep and warming glow there s no nightcap better than a good story well told Andy Russell is a master storyteller and this collection of new and previously published tales evokes as if by magic the irresistible allure of the campfire It s not hard to imagine the starry sky above and the sound of the pack horses as they sleepily crop the grass nearby Some of Andy s tales are about his own youth Others are part of western lore and the history of the west Others concern those whose trails crossed his or whose legends he heard over campfires long ago Some of the stories dwell in the past and others deal in the present Some are about horses grizzlies owls and other wildlife some commemorate old mountain men or cunning city slickers What all these yarns have in common is the unique style of the most celebrated of all Canadian cowboys the inimitable Andy Russell *Literature, Science, and Animal Advocacy in Canada* Candice Allmark-Kent, 2023-11-26 Literature Science and Animal Advocacy in Canada Practical Zoocriticism is the first book length study of animals in Canadian literature Using a historical approach it offers a much needed alternative to existing models of animals as symbols of Canadian victimhood Spanning more than a century the scope of this book includes classic writers Ernest Thompson Seton and Charles G D Roberts as well as popular contemporary authors such as Barbara Gowdy Yann Martel Margaret Atwood and many others By recontextualizing these works with closer attention to contemporary scientific and animal advocacy debates this book offers a fresh new perspective on a wide range of texts **States of Nature** Tina Loo, 2007-01-01 Since the early days of the fur trade wildlife has been powerfully and inspiringly emblematic of Canada Yet the story of saving Canada s wildlife is largely unknown States of Nature is one of the first books to trace the development of Canadian wildlife conservation from its social political and historical roots While noting the influence of celebrity conservationists such as Jack Miner and Grey Owl Tina Loo emphasizes the impact of ordinary people on the evolution of wildlife management in Canada She also explores the elements leading up to the emergence of the modern environmental movement ranging from the reliance on and practical knowledge of wildlife demonstrated by rural people to the more aloof and scientific approach of state sponsored environmentalism Illustrated with evocative images of the Canadian wilderness of yesteryear and supported by historical case studies States of Nature will appeal to historians policy makers and wildlife managers as well as to general readers fascinated by the natural world and its champions [The Social Behavior of Older Animals](#) Anne Innis Dagg, 2009-02-02 A groundbreaking study on the lives of senior mammals and birds from the aging of alphas to the role of grandmothers by the author of *Animal Friendships* How do young and old social animals view each other Are aged animals perceived by others as weaker Or wiser What is the relationship between age and power among social animals Taking a cue from Frans de Waal s seminal work

examining the lives of chimpanzees Anne Innis Dagg in this pioneering study probes the lives of older mammals and birds Synthesizing the available scientific research and anecdotal evidence she explores how aging affects the lives and behavior of animals ranging from elk to elephants and gulls to gorillas examining such topics as longevity how others in a group view senior members in regard to leadership wisdom and teaching mating success interactions with mates and offspring how aging affects dominance changes in aggressive behavior and adaptability and death and dying At once instructive and compelling this theme spanning book reveals the complex nature of maturity in scores of social species and shows that animal behavior often displays the same diversity we find in ourselves Dagg s book should be a corrective to us all species that lose or ignore the contributions of their older members do so at their peril *Literary Review of Canada* Humans and chimps it turns out value age in sexual partners very differently In our species youth is prized but among chimps the reverse is the case *The New York Review of Books* [Animal Encounters](#) Manuela S. Rossini, Tom Tyler, 2009-02-28 The fast growing field of Animal Studies is a varied and much contested domain Engagement with animals has encouraged both collaboration and conflict between researchers within the arts humanities and social sciences *Animal Encounters* comprises a series of meetings not only between diverse beasts but also between distinct disciplinary methods theoretical approaches and ethical positions The essays here collected come together from literary and cultural studies sociology and anthropology ecocriticism and art history philosophy and feminism science and technology studies history and posthumanism to study that most familiar and most foreign of creatures the animal These encounters between leading practitioners in the field highlight the promise and potential of interspecies exchange and mutual provocation *Library Journal* ,1990 [Canadian Author & Bookman and Canadian Poetry](#) ,1981 **Canadiana** ,1980 [Publishers Weekly](#) ,1978 *Canadian Books in Print* ,2003 *The Cumulative Book Index* ,1903 **Canadian Author & Bookman** ,1981 **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Weekly Record** ,1978 [American Book Publishing Record](#) ,1998 [The New Republic of Childhood](#) Sheila A.
