

Angel Meadow

Pamela J. Rauch

Angel Meadow:

Angel Meadow Dean Kirby, 2016-02-29 A record of how a city of great wealth ignored the desperate poverty at its very heart It is a lesson in the price of capitalism North West Labour History Journal It is all free fighting here Even some of the windows do not open so it is useless to cry for help Dampness and misery violence and wrong have left their handwriting in perfectly legible characters on the walls Manchester Guardian 1870 Step into the Victorian underworld of Angel Meadow the vilest and most dangerous slum of the Industrial Revolution In the shadow of the world's first cotton mill 30 000 souls trapped by poverty are fighting for survival as the British Empire is built upon their backs Thieves and prostitutes keep company with rats in overcrowded lodging houses and deep cellars on the banks of a black river the Irk Gangs of scuttlers stalk the streets in pointed brass tipped clogs Those who evade their clutches are hunted down by cholera typhoid and tuberculosis Lawless drinking dens and a cold slab in the dead house provide the only relief from a filthy and frightening world In this shocking book journalist Dean Kirby takes readers on a hair raising journey through the gin palaces alleyways and underground vaults of this nineteenth century Manchester slum considered so diabolical it was re christened hell upon earth by Friedrich Engels ENTER ANGEL MEADOW IF YOU DARE In this book the author expertly achieves driving home the grim horror that was Angel Meadow These were conditions at the bottom of human endurance and conditions that go beyond imaginations of modern day citizens Crime Traveller *The Irish in Manchester c.1750-1921* Mervyn Busted, 2015-12-01 This book examines the development of the Irish community in Manchester one of the most dynamic cities of nineteenth century Britain Based on research into a wide variety of local sources it examines the process by which the Irish came to be blamed for all the ills of the Industrial Revolution and the ways in which they attempted to cope with a sometimes actively hostile environment It discusses the nature and degree of residential segregation in one notable Irish district and the role of the Catholic Church as a source of spiritual comfort and the base for a dense network of mutual aid and social and cultural organisations It also examines how the Irish community allied itself with local campaign groups and political parties and organised celebrations and processions that simultaneously expressed its evolving sense of Irishness but fitted in with local traditions and customs *Dracula's Muse: Book II* Pamela J. Rauch, 2024-09-03 *Dracula's Muse Book II* begins on September 11th one of the darkest days in American history Thanks to the gallant efforts of Countess Bathory our favorite villain Vlad Dracula is rescued from the flaming wreckage of ground zero Unfortunately the Romanian vampire did not want to be saved and now he must face the challenge of starting over Once Dracula accepts his fate he reunites with his old friend Jack the Ripper together they make plans to go back in time to manipulate the past in their favor Dracula's first order of business to save his love Mary Kelly from becoming the Ripper's fifth and final victim Through the magic of time travel Dracula and Jack meet an unexpected new friend the one and only Frankenstein Turns out he's not a fictional character after all Mary Shelley discovers this in a most profound way when he comes to her window and commands she write his life story Naturally Mary

refuses however the hideous creature threatens to kill everyone she loves with no other recourse Mary Shelley complies Dracula and Jack both embrace their new friend for his size and muscle more than anything else The trio formulate a plan to restore the vampire community to its former glory Traveling back in time to 1985 they reclaim their old home in Manhattan an underground sanctuary called Tunneltown The plan is simple they need to find a way to prevent the events of 1993 the awful day when most of Dracula s progeny were incinerated by a S W A T team looking for terrorists If you re looking for a story with lots of twists and turns you ve come to the right place Dracula s Muse will deliver all of this and more Enjoy the ride

The Sanitary Record and Journal of Sanitary and Municipal Engineering ,1897 Report of the Inter-Departmental Committee on Physical Deterioration ... Great Britain. Inter-Departmental Committee on Physical Deterioration,1904

Metropolis Ben Wilson,2020-11-10 In a captivating tour of cities famous and forgotten acclaimed historian Ben Wilson tells the glorious millennia spanning story how urban living sparked humankind s greatest innovations A towering achievement Reading this book is like visiting an exhilarating city for the first time dazzling The Wall Street Journal During the two hundred millennia of humanity s existence nothing has shaped us more profoundly than the city From their very beginnings cities created such a flourishing of human endeavor new professions new forms of art worship and trade that they kick started civilization Guiding us through the centuries Wilson reveals the innovations nurtured by the inimitable energy of human beings together civics in the agora of Athens global trade in ninth century Baghdad finance in the coffeehouses of London domestic comforts in the heart of Amsterdam peacocking in Belle poque Paris In the modern age the skyscrapers of New York City inspired utopian visions of community design while the trees of twenty first century Seattle and Shanghai point to a sustainable future in the age of climate change Page turning irresistible and rich with engrossing detail Metropolis is a brilliant demonstration that the story of human civilization is the story of cities
