When Angels Speak Pope Friedman, 2015-03-31 Angels speak to us in a great number of ways to alert us to the timeline that has been predestined for us as human beings here on earth. Angels send signs and messages as to our life's purpose and our calling. When it seems you're at a dead end or have been sleepwalking throughout life, angel numbers and other signs they send us are intended to serve as a Wake Up Call. Such signs as number sequences, images, or symbols, and even music. For example, a song may play only for you to hear a certain verse yet can eerily pertain to a particular circumstance or situation in your life at that very moment. Or you may see numbers or a series of numbers; this is usually angel talk. Angel Numbers are ever so prevalent today and present to us numbers in a myriad of places such as on clocks as one finds themselves repeatedly awakening at the same time every morning around 3:33 AM, for example. Angels also send us messages through numbers on license plates, microwaves, billboards, cell phones, receipts, times you receive text messages, emails, and so much more. Learn how to recognize, acknowledge, receive, and act on angel messages to enrich your life: get that job you've always wanted to find, Mr. Right, get the house and car you want, and even settle down and start a family. A new life awaits you through angel
