Angels Of Russia:

The Angels of Russia Patricia Le Roy, 1999-05-06 The Angels of Russia was previously published on the Internet and caused a media storm when it became the first electronically published book to be considered for the Booker Prize A sweeping contemporary historical romance set against the great drama of perestroika The story is gripping and finally surprising what in other contexts one would call a page turner The Times Literary Supplement Pacey thriller fascinating full of surprises and strong characters The Bookseller Look out for Patricia le Roy s next book The Glass Palace Chronicle to be published in January 2000 **Russia** Nikos Kazantzakis, 1989 From the author of The Last Temptation of Christ and Zorba the Greek comes a penetrating account of three long journeys that he made to the Soviet Union between 1925 and 1930 It is a journal that delineates the nature of the greatest upheaval of our time the Bolshevik Revolution and its impact on the social and spiritual evolution of mankind Photos **Russian Art and Art Objects in Russia** Alfred Maskell, 1884 **Angels Over Moscow** Juliette M. Engel, 2021-09-22 Angels Over Moscow is an inspirational first person account of the life of American physician Dr Juliette Engel who founded the non profit MiraMed Institute to devote her energy and resources to helping reform maternal and infant healthcare in Russia During a mission to improve medical care for children in orphanages she discovered a link between the State institutions and an international network that trafficked young Russian girls to Scandinavia for prostitution She followed their trail north into Norway where she ran headlong into the international slave trade of the 20th Century human trafficking From that point forward there was no turning back for the determined doctor as she traveled throughout the former USSR often at great personal peril building a network of villagers educators police media and government officials called the Angel Coalition who committed their talents and resources to fighting human trafficking and bringing thousands of Russian trafficking victims safely home As a result of her work she became eyewitness to the collapse of an empire as the USSR broke apart and the Russian people struggled to find their identity without losing their humanity Her strength and personal commitment saved thousands of lives and has helped heal the wounds of a broken nation In Angels Over Moscow Dr Engel describes her journey as the gift of an unexpected life More than that it is a tribute to American ideals and to idealists like Dr Engel who put her life and freedom on the line to fight the good fight for all of us Every human being encounters crossroads on the path of life that require fate altering decisions with unknowable outcomes Selling my medical practice to live and work in Russia wasn t among my life plans when I first set out to explore what lay beyond the boundaries of my familiar world How could I anticipate that I d be drawn down the harder darker unexplored road into the tumultuous disorder of Russia I look ba **Our World** , 1924 **A Winter in Russia** Théophile Gautier, 1874 *Angels, Saints & Bowmen of Mons* I.
