John Galsworthy,2016-01-12 THE GREY ANGEL Her predilection for things French came from childish recollections of school days in Paris and a hasty removal thence by her father during the revolution of 48 of later travels as a little maiden by diligence to Pau and the then undiscovered Pyrenees to a Montpellier and a Nice as yet unspoiled Unto her seventy eighth year her French accent had remained unruffled her soul in love with French gloves and dresses and her face had the pale unwrinkled slightly aquiline perfection of the French marquise type it may perhaps be doubted whether any French marquise ever looked the part so perfectly How it came about that she had settled down in a southern French town in the summer of 1914 only her roving spirit knew She had been a widow ten years which she had passed in the quest of perfection all her life she had been haunted by that instinct half smothered in ministering to her husband children and establishments in London and the country Now in loneliness the intrinsic independence of her soul was able to assert itself and from hotel to hotel she had wandered in England Wales Switzerland France till now she had found what seemingly arrested her Was it the age of that oldest of Western cities that little mother of Western civilisation which captured her fancy Or did a curious perversity turn her from more obvious abodes or was she kept there by the charm of a certain church which she would enter every day to steep herself in mellow darkness the scent of incense the drone of incantations and quiet communion with a God higher indeed than she had been brought up to high church though she had always been She had a pretty little apartment where for very little the bulk of her small wealth was habitually at the service of others she could manage with one maid and no fuss

Our Angel Friends in Ministry and Song Alfred Fowler,1903 *Hell's Angels* Yves Lavigne,1993 Not since Hunter

This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties to its absurd flirtation with the hippie scene to its current status as one of the most powerful underground organisations in North America rivalling even the Mafia. *The Writers' War* Felicity Trotman, 2014-05-15
