theological works on scripture studies in comparative religions works on art architecture and music philosophical
sociological anthropological archeological and psychological works and even a book length psychoanalytical study of the
implications that our understanding of angels has for our understanding of sexual differences Access to the multitude of
angelic works is simplified with this bibliography which lists 4 355 works arranged alphabetically by author Each entry
contains a source for the reference often a Library of Congress call number followed by the name of a university that holds
the work Key words pertaining to the works are included when available and over 750 of the entries are annotated Extensive

The Biblical Sabbath and its true Calendar Jews Seventh day Adventists and many other Sabbatarians observe the Sabbath
on Saturday basing this practice on the fact that Saturday is the 7th day of the Gregorian calendar week But is this truly the
Sabbath of the Creator mentioned in the Scriptures Can a divine institution sanctioned by the Creator of the Heavens and
Earth be observed on a calendar that has its roots in paganism or is there more to the Sabbath question than many honest
truth seeking Christians have dared to ask This book will reveal why neither Saturday nor Sunday are NOT the 7th day
Sabbath of the Lord This is the message of the hour
