Lyons,2009-12-29 This is a story about a wager between an angel and a demon over the direction a man s life will take All of the stories in this book are based on true events that occurred in the life of the author or in Biblical history There have been many testimonials written that describe the lifestyles that people have been delivered from but very few address the struggles that ordinary Christians face when they begin their walk with God Most people will struggle with the flesh and with wrong attitudes and will not know how to deal with the demons that will come to tempt discourage and oppress them I want people who read this book to be able to identify with some of the struggles faced by the characters and be encouraged that they are not alone in their own personal struggles Salvation is instant but holiness is a lifelong journey that requires constant maintenance checks I want to assure them that God loves them despite their shortcomings and still wants to use them to build His kingdom The purpose of this book is to entertain educate and equip I put the story into a fiction format to attract the average reader who is interested in God angels and demons but doesn t necessarily attend church services I tried to fill the srories with information about God and the benefits of being a Christian I want to make them aware of the demonic forces arrayed against them and teach them about the power that is available to them to combat these forces of darkness There are many scripture references and Biblical reenactments that should spark curiosity and provoke the reader to further bible study on their own For the serious Bible student there is a wealth of information from the Book of Enoch and the Testament of Solomon Although this is a work of fiction there was a lot of reseach done and the information found in this book can be used to help you make the right decisions in life to protect yourself from demonic entities and to have a more satisfying relationship with God and enjoy the benefits of being in covenant with Him **Angels Are Among Us** Timothy R Williams,2023-06-01 This book is an accumulation of information from courses taken while attending Rhema Bible Training Center Victory World Mission and by the divine revelation from the Holy Spirit Scriptures used are from the NKJV unless noted I have shared the revelation I believe to be important that will ensure we live a victorious life and allow angels to have charge over us It is important that we understand the correct biblical doctrine concerning angels their assignments and how they are designed to operate God created angels before all His other creations He created angels to help each of us and to carry out His divine plan for all His future creations Angels are here to minister to us to protect us and to work on our behalf You will learn in this book angels are specific in their assignments They have names different ranks and classifications You will also learn that angels can and do play a part performing healings They also comfort us My focus for this book is to show there are angels among us and how we can work with them Here are a few
