Anger At Innocence:

Anger at Innocence, 19?? **Anger at Innocence** William Gardner Smith, 1973 **The Romance of Innocent Sexuality** Geoffrey Rees, 2011 From the polling place to the pulpit *The Romance of Innocent Sexuality* investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons **The Right to Innocence** Beverly Engel, 1989 A therapeutic 7 step program for men and women including how to choose a therapist and find a support group 1st Ballantine Books ed cover

The Innocent and The Damned Wallace B. Collins, 2007-01-08 Kevin is a police officer and his wife Carla is a school teacher whose roles complement each others and blends with their opposite functions Kevin s role is to maintain law and order in his community and in the streets he polices while Carla s role is to maintain learning and behavioral discipline among her young students in her classroom Douglas and Lydia are Carla s parents Their function in their community is compatible with each other where Douglas a mail clerk and Lydia a nurse made positive contribution to their family and friends until sadly Lydia suffered a severe stroke and had a fall that left her a quadriplegic After which Douglas assumed the sad role of comforting his wife Lydia with his flashback narrative about the good times they had during their marriage He recounts their yearly vacation abroad as he tries to draw her attention to that happy time compared to her stay in a nursing home hoping she would get well of her serious injury Kevin and his wife Carla could not have known that they would become the victims of a viscous crime that took place before their front door They thought it would be a happy home coming from their second honeymoon and not be the victims of a car highjack Kevin agonized later over his violent reaction to the car hijacker Caprice with his family s antagonism to law and order of which Kevin had to deal with throughout the story until the Caprice got his comeuppance in a failed robbery attempt He has to cope with Caprice s friends as he does with his relatives whose illegal behavior drew his police authority in the community Kevin and Carla Brown are not as innocent of their past as

they are apprehensive of their future and their need to succeed They function as authority figures where Kevin a police officer controls and regulates the illegal behavior of lawbreakers His job is to police the law breaker s antagonism toward his community and to society by illegal actions that preceded the youth s hostility to the learning discipline in the classroom misbehavior that leaks out into the community and to the greater society Kevin s job then is to uphold the lawful function of society by bringing such lawbreakers to justice Carla grieved with her father over her mother Lydia s serious injury that left her a quadriplegic Her support of her father revealed to Douglas how essential his daughter had become to him maintaining his equilibrium during her mother s nursing home confinement She consoles him while he reminisces about his life with her mother and the good times they and their New York travel group enjoyed on their yearly vacation trips abroad They enjoyed a good life until his wife Lydia s tragic injury cut short their comfortable life style Douglas who worked as a Postal Worker and Lydia a Registered Nurse made their living providing a service to the public Carla knew that most parents entrust her with their children to educate them as she is to monitor their behavior and learning skills She saw herself held responsible by parents for their grown up actions in the classroom as she is with their learning from her what is good and what is not and teaches them how to learn Her job as teacher often conflicts with students who are experiencing the wonder and mystery of their raging hormones that inhibit her supervision of them Yet she persists to instruct and guide students to a learning discipline as grounding for their future If she achieves this it will make her husband Kevin s role as a police officer easier if not unnecessary Kevin s job as a police officer equips him to coral lawbreakers and brings them to justice by detaining them and put them in custody of the law It haunts him nevertheless whenever he has to arrest young Innocents who have assumed the role of the Damned because of their antagonism to the rule of law They have become sucked into breaking th
