## **Anglican Way:**

The Anglican Way Thomas McKenzie, 2014-04      The Anglican Way John Baycroft, 1980      **The Anglican Way** Peter Toon, 2010-11-01 There are many Christian denominations in North America Each one claims to be a part of the one holy catholic and apostolic Church of God Each one seeks to be loyal to Jesus of Nazareth as Savior and Lord Yet each one is different from the others For example most of us are aware of the great difference between the Roman Catholic Church and the Southern Baptist Convention of churches But only those who are closely involved know the subtle differences between one kind of Baptist group and another This book is not about differences between denominations It is about the Episcopal Church USA The Episcopal Church is a member of the family of Anglican Churches whose mother Church is that centered on Canterbury England This book is not a history of the Episcopal Church or a statement of its doctrines Rather it is the presentation of an attractive and compelling way of understanding the distinctive claim that can and should be made for the Episcopal Church In one sentence the claim is that the Episcopal Church is called to be both evangelical and catholic In other words the call of God to the Episcopal Church in these times when the one Church of God is sadly divided is that it should be simultaneously evangelical and catholic This doesn't not mean that she is to be evangelical in her preaching and catholic in her liturgy It is not a matter of being sometimes evangelical and sometimes catholic The Church is called to be catholic and evangelical all the time in all that she is and does

**Who Runs the Church?** Zondervan, 2009-05-26 Churches have split and denominations have formed over the issue of church government While many Christians can explain their church's form of rule or defend it because of its tried and true traditions few people understand their church's administrative customs from a biblical perspective *Who Runs the Church* explores questions such as What model for governing the church does the Bible provide and is such a model given for practical or spiritual reasons Is there room for different methods within Christianity Or is there a right way of doing church And finally how and by whom should the church be governed Four predominant approaches to church government are presented by respected proponents Episcopalianism represented by Peter Toon Presbyterianism represented by L Roy Taylor Single Elder Congregationalism represented by Paige Patterson Plural Elder Congregationalism represented by Samuel E Waldron As in other Counterpoints books each view is followed by critiques from the other contributors and its advocate then responds

**The Oxford Handbook of Anglican Studies** Mark D. Chapman, Sathianathan Clarke, Martyn Percy, 2015-10-22 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this

volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

**Reformed and Catholic** Roberta Bayer,2012-08-22 A respected lecturer and author the Rev Dr Peter Toon 1939 2009 was born in Yorkshire England and graduated from King's College University of London Ordained a priest in the Church of England in 1973 he taught theology in both England and America and was a visiting professor and guest lecturer at a variety of seminaries and universities in Asia Europe and Australia Through his engagement in debates about all matters Anglican he became the foremost exponent of the Anglican Way a path both Reformed and Catholic A self-identified evangelical he brought an evangelical fervor to his love of the church and the gospel and he has influenced a generation of priests around the world This volume of essays collected in his honor furthers the work that Dr Toon started defending the continuing importance of the theology of the English Reformation and Anglican worship Essays included discuss Thomas Cranmer the Book of Common Prayer the Thirty Nine Articles and the legacy of Dom Gregory Dix The authors include Roger Beckwith Bryan Spinks Rudolph Heinze Joan Lockwood O Donovan Gillis Harp Graham Eglington and Ian Robinson
