Anglosaxon Attitudes

Benjamin A. Saltzman, R. D. Perry

Anglosaxon Attitudes:

Anglo-Saxon Attitudes Angus Wilson, 2011-11-17 Angus Wilson is one of the most enjoyable novelists of the 20th century Anglo Saxon Attitudes 1956 analyses a wide range of British society in a complicated plot that offers all the pleasures of detective fiction combined with a steady and humane insight Margaret Drabble First published in 1956 Anglo Saxon Attitudes draws upon perhaps the most famous archaeological hoax in history the Piltdown Man finally exposed in 1953 The novel's protagonist is Gerald Middleton professor of early medieval history and taciturn creature of habit Separated from his Swedish wife Gerald is increasingly conscious of his failings Moreover some years ago he was involved in an excavation that led to the discovery of a grotesque idol in the tomb of Bishop Eorpwald The sole survivor of the original excavation party Gerald harbours a potentially ruinous secret **Anglo-saxon Attitudes** Angus Wilson, 1956 Anglo-Saxon Attitudes Angus Wilson, 1974 **Anglo-Saxon Attitudes, a Novel by Angus Wilson** Angus Wilson, 1956 *Anglo-Saxon Attitudes* John Anthony Hilton, 2006 This is not a book about the Anglo Saxons but a book about books about Anglo Saxons It describes the academic discipline of Anglo Saxonism the methods of study used the underlying assumptions and the uses to which it has been put Methods and motives have changed over time but right from the start there have been the constant themes of Anglo Saxon democracy and the rights of the freeborn Englishman They have given rise to ideas and perceptions that have greatly influenced the development of English society and political history **Anglo-Saxon Attitudes** Angus Wilson, 1991-08-08 *Anglo-Saxon Attitudes* Angus Wilson, 1957 **Thinking of the Medieval** Benjamin A. Saltzman, R. D. Perry, 2022-10-13 The mid twentieth century gave rise to a rich array of new approaches to the study of the Middle Ages by both professional medievalists and those more well known from other pursuits many of whom continue to exert their influence over politics art and history today Attending to the work of a diverse and transnational group of intellectuals Hannah Arendt Erich Auerbach W E B Du Bois Frantz Fanon Erwin Panofsky Simone Weil among others the essays in this volume shed light on these thinkers in relation to one another and on the persistence of their legacies in our own time This interdisciplinary collection gives us a fuller and clearer sense of how these figures made some of their most enduring contributions with medieval culture in mind Thinking of the Medieval is a timely reminder of just how vital the Middle Ages have been in shaping modern thought **This England** Audrey Hilton, 1982 **A Critical Study of Mr Angus Wilson's Anglo-Saxon Attitudes** Nicole Weil, Université de Paris. Faculté des lettres et sciences humaines, 1964 **Four Contemporary Novels** Kerry McSweeney, 1983-01-01 Four Contemporary Novelists offer accounts of the fiction of Angus Wilson Brian Moore John Fowles and V S Naipaul The author has charted the development of each writer identified dominant themes controlling techniques and informing sensibility explained what each has tried to accomplish and compare theory to practice provided an appropriate context for appreciation and evaluation of all parts of each canon and made qualitative discriminations Behind the Looking Glass Sherry Ackerman, 2009-01-23 Behind the Looking Glass offers a fresh

perspective in the ongoing contemporary deconstruction of the Carroll Myth Through rigorous examination of numerous myths that have been hitherto unquestioned Ackerman skillfully positions Lewis Carroll in the theological and philosophical contexts of his time She uncovers a Carroll whose radical religio philosophical counter response to patriarchal materialism moved his intellectual journey intentionally or otherwise deep into the waters of mysticism The image of Carroll as a dreary Victorian conservative gives way to that of a man with wide intellectual parameters an inquiring mind and bold far sighted vision Behind the Looking Glass demonstrates how nineteenth century currents of spiritualism theosophy and occult philosophy co mingled with Carroll s interest in revived Platonism and Neoplatonism showcasing the Alice and Sylvie and Bruno books as unique points of conjunction between Carroll s intellect and spirituality The scholarship in this work while rigorous is softly mixed with the kind of academic frivolity that Carroll himself might have enjoyed Ackerman exposes a Carroll who having lost belief in the theological and mythological master plots of earlier eras turned toward the imaginative fiction of wonderlands rife with philosophical content in response to his instinctive hunger for cosmic coherence and existential order

Illuminating Moses ,2013-11-21 In *Illuminating Moses A History of Reception* readers discover the roles of Moses from the Exodus to the Renaissance law giver prophet writer and their impact on Jewish and Christian cultures as seen in the Hebrew Bible Patristic writings Catholic liturgy Jewish philosophy and midrashim Anglo Saxon literature Scholastics and Thomas Aquinas Middle English literature and the Renaissance Contributors are Jane Beal Robert D Miller II Tawny Holm Christopher A Hall Luciana Cuppo Csaki Haim Kreisel Rachel S Mikva Devorah Schoenfeld Gernot Wieland Deborah Goodwin Franklin T Harkins Gail Ivy Berlin and Brett Foster

Victorian Humor Glynnis Cox,2026-03-20 Humor and the novel both belong in important ways to the nineteenth century It is in the nineteenth century that we saw an unprecedented outpouring of novels and short stories and it was also in the nineteenth century when humor emerged as the dominant term through which the comic was described Victorian Humor argues that these two features of nineteenth century culture shape one another in significant ways and together point to a broader societal shift in ways of thinking about the individual Building upon this historical connection Victorian Humor offers new theories and methodologies for the interpretation of humor as a technique of narrative communication These theories are developed in conversation with recent interdisciplinary research in humor theory and narrative theory and grounded in nineteenth century literary and intellectual culture Victorian Humor describes and illustrates its theories through lively analyses of a wide range of novels and short stories canonical texts by Dickens Thackeray and Trollope more obscure texts by Bulwer Lytton Meredith and Frances Trollope as well as the minor works of Eliot and Gaskell It offers the field of Victorian literature and literary studies a needful update both in how we understand humor and how we interpret its role in the experience of narrative
