Breakaway Japanese Kitchen Inspired New Tastes:

The Breakaway Japanese Kitchen Eric Gower, 2003 Eric Gower's recipes combine ingredients from his adopted country of Japan with the easygoing flexible approach of his native California. His dishes are borne of creative inventiveness, a passion for good home cooked food and experimentation over many years spent living in Japan. Gower's fresh piquant flavours are achieved using citrus fruits, vinegars, ginger, shallots, fresh herbs, plenty of coarse ground black pepper and other low calorie low fat ingredients. His shiso tofu is prepared in just minutes and should finally convince Europeans that tofu is delicious. His edamame mint pesto is very quick and a delicious new approach to pesto. His soy brined fennel roasted turkey stuffed with pink grapefruit naturally takes longer to prepare but should delight nevertheless. *Can Scorpions Smoke? Creative Adventures in the Corporate World* Steve Chapman, 2014-02-26 Imagination, creativity, improvisation and play are not words that adults normally associate with their work but many secretly lament their absence in everyday life. They are also words that many of us wouldn't put at the top of our curriculum vitae either. However, the world is changing and the emergence of an Age of Applied Artistry is calling for modern organisations to take the development of these skills more seriously as they become capabilities that are not just nice to have but essential for survival in the corporate world of the future. This book crashes together ideas from the world of Organisation Development, OD, gestalt psychology and improvisational theatre and distils them into some simple stories, concepts and practices that anybody and everybody can experiment with in order to awaken and unleash their own creative spirit. It is an unusual, entertaining and insightful mix of biography and field guide that helps defrost the little creative genius inside of us all. *Sunset*, 2005 *The Breakaway Cook* Eric Gower, 2023-12-15 For the adventurous home cook who delights in intense and surprising flavors, this book will provide endless ideas for invention. Publishers Weekly: Breakaway cooking pays homage to culinary traditions yet uses innovative techniques and ingredients to give home cooks a new approach to their dishes. Sample Eric Gower's Miso Orange Pepper Roasted Chicken or tease your tongue with his take on Fluffy Herby Eggs and you'll be convinced. It's not fusion, it's fusion that makes sense. And the cardinal rule is to season with authority. Don't be afraid of the spice cabinet anymore and use presentation to create a simple appealing meal. Spend less time fussing about the preparation and clean up and more time enjoying food and its huge role in our daily lives. Eric helps you reconstruct your approach to the kitchen, highlighting the seasonings and essential ingredients or Global Flavor Blasts such as tamarind, pomegranate, molasses, miso, yuzu, green tea, Chinese plum sauce, mole among many others that will liberate your cooking and provide a lifetime of fantastic eating. Using Gower's recipes as broad outlines, you can be creative as you go and within his framework, you will discover your own genius in the kitchen. We feel better when we eat better and it's easier to be productive, creative and relaxed when the food part of life is under control. Enter *The Breakaway Cook*. In addition to the recipes, *The Breakaway Cook* includes stunning full color photos by Annabelle Breakey throughout the text, a guide to using flavored salts in your dishes, sidebars on wine, tea and sake and ideas for even shorter
