Breakdown Lane Poems:

Breakdown Lane Robert Phillips, 1994 Over the past two decades Robert Phillips has built a reputation as one of the outstanding American poets of his generation Now in his fifth full collection of verse that reputation is both confirmed and consolidated These are thoughtful substantive poems that may make the reader smile and reflect There are autobiographical poems about the poet's childhood elegies for the recent dead in American arts extended metaphors on suburban existence and a long section of poems in which the poet courts wins then loses the Muse Both in voice and performance Breakdown Lane is a thoroughly consistent and engaging volume *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry Ballyhoo Hastings Hensel, 2019-04-02 A poetry collection that grapples with the tragicomic nature of language memory love work and the performative self Though at times whimsical and witty the poems in Hastings Hensel's Ballyhoo inhabit the world beyond and between the punchline In tightly controlled meditations on language's limits and its necessity as well as on the many forms that humor takes comedy laughter farce clowning parody and more Hensel navigates fine lines between joy and sadness jokes and cruelty reality and illusion and irony and sincerity Universal in scope the 47 poems in Ballyhoo are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop Twelfth Night's Feste delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity Ballyhoo offers a sobering examination of the tragicomic nature of the world

Future Perfect Charles Martin, 2018-04-11 The latest dazzling collection of poems from Charles Martin a modern poet working within the possibilities of traditional measures To be modern is to live not in a single era but in a churn of new technologies deep history myth literary traditions and contemporary cultural memes In Future Perfect Charles Martin's darkly comic new collection the poet explores our time and the times that come before and after which we inhabit and cultivate in memory and imagination Through poems that play with form and challenge expectation Martin examines the continuities that persist from time immemorial to the future perfect Sensitive to the traces left behind by the lives of his characters Martin follows their tracks reflections echoes and shadows In From Certain Footprints Found at Laetoli an ancient impression preserved in volcanic ash conjures up a family scene three million years past In The Last Resort of Mr Kees and Mr Kees Goes to a Party Martin adopts the persona of the vanished poet Weldon Kees to reimagine his disappearance Letter from Komarovo 1962 retells the tense real life meeting between Anna Akhmatova and Robert Frost a

year before their nations almost destroyed one another And in the titular sonnet sequence that ends the book Martin conjures a childhood in the Bronx under the shadow of the mushroom cloud of nuclear war as the perfected future supplanting the present Introducing Buck Rogers to Randall Jarrell and combining new translations or reinterpretations of works by Ovid G G Belli Octavio Paz and Euripides Future Perfect further establishes Charles Martin as a master of invention
