Kingdom Triangle J. P. Moreland, 2009-07-13 J P Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit led power Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture's embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church's transforming influence on society has waned as a result Kingdom Triangle is divided into two major sections The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible

presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life **Your Kingdom Come** Alec N. Capay, 2017-02-15 In this book you will discover God's will and purpose in bringing heaven to earth. For too long we have desired and yearned to leave earth along with all its problems and complications without ever longing to see God's kingdom and will established on earth. Jesus prayed, "Your kingdom come. Your will be done on earth as it is in heaven." This was not necessarily the model prayer but what we should literally be praying. We must pray that His kingdom comes to invade the earth and our lives. We must pray that His will be done. The author explains and answers several key questions pertaining to the Kingdom of God such as: what is God's Kingdom? Is God's Kingdom here and now? What is my role in this Kingdom? And so on. Alec unveils hidden truths from Scripture and challenges modern day theology concerning God's Kingdom. As you open its pages you will begin to understand and experience a different meaning of our mandate and responsibility as children and citizens of God. Come along as we discover the power, majesty, and beauty of God's Kingdom that will revolutionize your life and ministry.

Compassion and the Mission of God Rupen Das, 2016-01-14 Why does God care for the poor, the vulnerable, and the marginalized? This book traces God's compassion as it is revealed in the Old and New Testaments, exploring the expression and impact of compassion in the early church through its actions and teachings as part of its witness. Focusing on the church's responsibility to be compassionate, Dr. Rupen Das underlines the theological and missiological questions central to any discussion on the compassion of God. Culminating with how compassion is lived out by God's people, the book looks at concepts of transformation and the demonstration of the kingdom of God in the real world. This book provides an excellent biblical and theological foundation for anyone involved or interested in ministries of social justice, relief, development, and compassion.

Undivided Witness David Greenlee, Mark Galpin, Paul Bendor-Samuel, 2020 Undivided Witness presents ten key principles linking community development and the emergence of vibrant communities of Jesus followers among the least reached. Twelve practitioners explore this uncharted missiological space, drawing on decades of serving and learning among communities in Africa, the Middle East, Europe, and South Central and Southeast Asia.

The Great Endtime Events (Eschatology) Francois Petrus Möller, 1998 The Words of Light and Life series is concluded with a volume focusing on understanding the book of Revelation, the signs of the times, and the return of Christ: millennialism or chiliasm, death and resurrection, final judgement and punishment, reward and heavenly glory.

The Kingdom Reformation Derek Morphew, 2020-11-16 The Kingdom Reformation is the third in a trilogy on the kingdom of God, the mission, and message of Jesus. The other two publications are *Breakthrough: Discovering the Kingdom*, a biblical theology, and *Demonstrating the Kingdom*, a practical theology. The trilogy forms the core of a larger project on kingdom theology which Derek Morphew has been developing over decades. It traces the roots of kingdom theology to four key factors that have emerged in the post-Second World War era: 1. The discovery and availability of the literature of Second Temple Judaism, the Dead Sea Scrolls (1947); 2. The post-holocaust review of Protestantism and the emergence of a Jewish Christian

dialogue 3 The shift from modernism to postmodernism leading to a review of the historical method as applied to the New Testament 4 The consensus position of inaugurated eschatology namely that Jesus taught that the kingdom of God was both future apocalyptic or end of the age and present in his ministry These four factors have led to the emergence of a fresh departure in the long history of Christian theology which is so fundamental like a Reformation that everything must be reviewed To rediscover Jesus is to review the entire history of theology including orthodoxy and the Reformation without rejecting either of them While this fresh departure is growing and widely represented today applying kingdom theology to mission and praxis has taken place particularly in the post Wimber charismatic or third wave tradition in a number of young and growing missional and church planting movement
