Shards of Illumination Ralph Ellis,2022-01-17 Black and White edition Colour edition available elsewhere on Amazon Description Academic disinformation appears to be reaching a peak Was it always this way and only now with increased connectivity can we see their duplicity Or are we living in a new era of deception The new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage Are these academic deceptions the result of intentional deceit or sheer incompetence To be sure there are any number of incompetent scientists historians and clerics but I get the impression that much of this is due to deliberate falsification and fraud The world is awash with duplicity and deceit and it is time to break through the deception

The Great Conspiracy Age of Deception PASTOR DR MORIAH D. HAGANS,2014-12-23 I believe the Father God has downloaded a shorter version of Bible history and meanings based on questions asked of me during my teachings and Bible studies I ve given of the Word Many want to ask certain questions about the church and its history but have been put off or not given the complete truth about the subject Instead they have been taught fables and traditions Sometimes the people don t know and other times they prefer to stick with the teachings that follow tradition and fables Since I ve tried to find out about the answer to questions in the same manner in my younger years I ve found out that the deep study with the Father as my teacher gave me the answers I needed to the questions that were very important in my walk with Yeshua Jesus Now it makes sense to me It uncovered a world of mysteries and cleared up my understanding I too asked questions that I needed answers however in teachings and Bible studies I ve conducted I found most people still aren t getting the answers necessary to take them to the higher level This book seemed to be the answer Although we will still be studying and learning more of His Word until His kingdom comes and beyond this will give us a jump start in experiencing more of Him and how we can please Him until He comes to get us I hope this book will open your eyes to some of the hidden things that have caused us not to follow the truth of Yeshua Jesus and our desire to learn more about Him will come alive in your spirit man to dig deeper for yourselves Get into informative study groups and attend churches that preach from the Bible Take your understanding to a new level Don t be satisfied with just a once a week appearance at church or not going at all because you don t like the preacher or someone feeling you have it covered We will never put Yahweh God in a box and say this is all He has for us and we don t need any more I encourage you to come up
