BOOK

An Intimate and Curious History by Maura Spiegel & Lithe Sebesta

Breast An Intimate And Curious History

AN Whitehead

Breast An Intimate And Curious History:

Adam's Navel Michael Sims,2004-06-29 In this amusing and brilliantly conceived book Michael Sims introduces you to your body Moving from head to toe Sims blends cultural history with evolutionary theory to produce a wonderfully original narrative in which he analyzes the visible parts of the body In this fascinating brew of science and storytelling readers encounter not only accessible explanations of the mechanics of their anatomy but also the layers of mythology religious lore history Darwinian theory and popular culture that have helped to shape our understanding of any given body part A titillating and unique book *Adam's Navel* is learned and entertaining a marvelous lens through which to study the form we all inhabit but may not really understand

Body Parts Christopher E. Forth,Ivan Crozier,2005-01-01 In many forms of discourse specific parts of the human anatomy may signify or act as a substitute for the whole body person the presence of a large gut may render a man effeminate or represent someone who has lost control of his appetites visible muscles indicate strength of body but also constitution or will a hard penis indicates a male body in a state of perfection In this volume scholars from a variety of historical and cultural studies disciplines examine scientific medical popular and literary texts paying special attention to the different strategies employed in order to establish authority over the body through the management of a single part By considering body parts that are usually ignored by scholars the skin blood the pelvis the hair the essays in this volume render the idea of a single coherent body untenable by demonstrating that the body is not a transhistorical entity but rather deeply fragmented and fundamentally situated in a number of different contexts

Spilled Milk Andy Steiner,2005-08-20 A collection of humorous anecdotes and practical tips by a prize winning former senior editor at Utne shares real world advice on how to overcome breastfeeding challenges in a guide that covers such topics as nursing discomfort pumps and health issues from a non political perspective Original

The Naked Woman Desmond Morris,2005 Internationally bestselling author and world famous human behaviorist Desmond Morris turns his attention to the female form taking the reader on a guided tour of the female body from head to toe Highlighting the evolutionary functions of various physiological traits Morris's study explores the various forms of enhancement and constraint that human societies have developed in the quest for the perfect female form This is very much vintage Desmond Morris delivered in his trademark voice direct clear focused and communicating what is often complex detail in simple language In *THE NAKED WOMAN* Desmond builds on his unrivalled experience as an observer of the human animal while tackling one of his most fascinating and challenging subjects to date Publisher description

America's First Network TV Censor Robert Pondillo,2010-04-23 *America's First Network TV Censor* The Work of NBC's Stockton Helffrich is a unique examination of early television censorship centered around the papers of Stockton Helffrich the first manager of the censorship department at NBC Set against the backdrop of postwar America and contextualized by myriad primary sources including original interviews and unpublished material Helffrich's reports illustrate how early censorship of advertising language and

depictions of sex violence and race shaped the new medium While other books have cited Helffrich s reports none have considered them as a body of work complemented by the details of Helffrich s life and the era in which he lived America s First Network TV Censor explores the ways in which Helffrich s personal history and social class influenced his perception of his role as NBC TV censor and his tendency to ignore certain political and cultural taboos while embracing others Author Robert Pondillo considers Helffrich s life in broadcasting before and after the Second World War and his censorial work in the context of 1950s American culture and emerging network television Pondillo discusses the ways that cultural phenomena including the arrival of the mid twentieth century religious boom McCarthyism the dawn of the Civil Rights era and the social upheaval over sex music and youth contributed to a general sense that the country was morally adrift and ripe for communist takeover Five often censored subjects advertising language and depictions of sex violence and race are explored in detail exposing the surprising complexity and nuance of early media censorship Questions of whether too many sadistic westerns would coarsen America s children how to talk about homosexuality without using the word homosexuality and how best to advertise toilet paper without offending people were on Helffrich s mind his answers to these questions helped shape the broadcast media we know today

Censorship in a "golden Age" Robert J. Pondillo,2003 *Bitch* ,2001 *Ms. Magazine* Gloria Steinem,Robin Morgan,Joanne Edgar,Patricia Theresa Carbine,Nina Finkelstein,Letty Cottin Pogrebin,2002 *Esquire* ,2006 **Bust** ,2001 **The Breast Book** Maura Spiegel,Lithe Sebesta,2002 Using over 600 illustrations and photos this chunky obsessive book of Breasts is about changing social mores and attitudes from classical Greek statuary to the Victorian corset to Twiggy to Pamela Lee Full color *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004

The Female Breast and Its Disorders George W. Mitchell,Lawrence Wayne Bassett,1990 Lung cancer has caused most cancer deaths only since 1986 until the smokers ripened into cancer victims the breast was the site of the most fatal cancer in women This book devotes most space to cancer together with diagnosis But it covers benign and aesthetic conditions as well It addresses the

The Novels and Miscellaneous Works of Daniel De Foe: History of the plague in London, 1665; to which is added the great fire of London, 1666, by an anonymous writer. The storm,1703; with an essay, in verse. The true-born Englishman: a satire Daniel Defoe,1888 *The Standard Natural History* John Sterling Kingsley,Elliott Coues,1884 What Pictures to See in Europe Mrs. Lorinda Munson Bryant,Lorinda Munson Bryant,1919 *The Riverside Natural History* John Sterling Kingsley,1888 *Suetonius. History of twelve Cæsars, tr. by P. Holland, 1606* Gaius Suetonius Tranquillus,Suetonius,1899 *The History of the French Revolution* Adolphe Thiers,1883 **Books in Print Supplement** ,2002

Uncover the mysteries within is enigmatic creation, Embark on a Mystery with **Breast An Intimate And Curious History** .
