Bretts Episode 10:

21st Century Retro: "Mad Men" and 1960s America in Film and Television Debarchana Baruah,2021-04-16

Numerous contemporary televisual productions revisit the past but direct their energies towards history's non events and anti heroic subjectivities Debarchana Baruah offers a vocabulary to discuss these using Mad Men as a primary case study and supplementing the analysis with other examples from the US and around the world She takes a fundamentally interdisciplinary approach to studying film and television drawing from history memory and nostalgia discourses and layering them with theories of intertextuality paratexts and actor networks The book's compositions style invites discussions from scholars of various fields as well as those who are simply fans of history or of Mad Men [Brett's Handy Guide to New Zealand](#) E. Ernest Bilbrough,1890 **Serials and Series** Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis *Believe* Jeremy Egner,2024-11-12 From The New York Times's Jeremy Egner the definitive book on Ted Lasso When Ted Lasso first aired in 2020 nobody including those who had worked on it knew how a show inspired by an ad centered around soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys and one Peabody Award later it's safe to say that the show's status as a pop culture phenomenon is secure In Believe entertainment journalist and Ted Lasso fan Jeremy Egner traces the show's creation and legacy through the words of the people at its center Drawing on dozens of interviews from key cast creators and more Believe takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives then into the show's writers room through the brilliant international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and written to match the show's heart and humor Believe tells a story of teamwork of hidden talent of a group of friends looking around at the world's increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together a story about what happens when you dare to believe [Pride and Progress: Making Schools LGBT+ Inclusive Spaces](#) Adam Brett,Jo Brassington,2023-05-12 Pride Progress began as a podcast created to amplify the voices of LGBT educators and allies This book builds upon the podcast's success to create an essential guide for teachers and educators who want to make their educational spaces LGBT inclusive The book combines academic theory and the lived experiences of our guests to explore ten key themes Each chapter explores one of these themes providing the knowledge language and strategies that schools need to make their educational spaces inclusive for all *Science Fiction, Horror & Fantasy Film and Television Credits: Television shows* Harris M. The Jeremy Brett - Linda Pritchard Story Linda Pritchard,1998 Freedom's Progress? Gerard Casey,2021-10-04 In Freedom s Progress Gerard Casey argues that the progress of freedom has largely consisted in an intermittent and imperfect transition from tribalism to individualism from the primacy of the collective to the fragile centrality of the individual person and of freedom Such a transition is he argues neither automatic nor complete nor are relapses to tribalism impossible The reason for the fragility of freedom is simple the importance of individual freedom is simply not obvious to everyone Most people want security in this world not liberty Libertarians writes Max Eastman used to tell us that the love of freedom is the strongest of political motives but recent events have taught us the extravagance of this opinion The herd instinct and the yearning for paternal authority are often as strong Indeed the tendency of men to gang up under a leader and submit to his will is of all political traits the best attested by history The charm of the collective exercises a perennial magnetic attraction for the human spirit In the 20th century Fascism Bolshevism and National Socialism were Casey argues each of them a return to tribalism in one form or another and many aspects of our current Western welfare states continue to embody tribalist impulses Thinkers you would expect to feature in a history of political thought feature in this book Plato Aristotle Machiavelli Locke Mill and Marx but you will also find thinkers treated in Freedom s Progress who don t usually show up in

standard accounts Johannes Althusius Immanuel Kant William Godwin Max Stirner Joseph Proudhon Mikhail Bakunin Pyotr Kropotkin Josiah Warren Benjamin Tucker and Auberon Herbert Freedom's Progress also contains discussions of the broader social and cultural contexts in which politics takes its place with chapters on slavery Christianity the universities cities Feudalism law kingship the Reformation the English Revolution and what Casey calls Twentieth Century Tribalisms Bolshevism Fascism and National Socialism and an extensive chapter on human prehistory *Something to read*, ed. by E.J.
