Bride Prize:

The Dynamics of Bride Price in Zimbabwe and the UK Diaspora Ottis Mubaiwa, 2020-10-06 The tradition of Bride Price has been at the heart of marriage for many centuries in numerous cultures across the globe The Dynamics of Bride Price presents new research data from Zimbabwe and the UK highlighting the transnational dimension of the practice its diversity in different contexts and across generations and its influence on the structure of gender relationships and inequalities The transnational element of its investigation into the institution and traditions of African marriage sets this book apart from existing study and offers its readers a nuanced and complex understanding of the perceptions and experiences of Bride Price across diverse contexts This original contribution will be of great interest to those studying and teaching courses on Gender and Development as well as researchers and policymakers of cultural practices

Hmong Refugees in the New World

Christopher Thao Vang, 2016-05-16 Almost no one in the West had heard of the Hmong before National Geographic ran a cover story on the Southeast Asian ethnic group that had allied with the United States in the Vietnam War and few knew of them before their arrival in the U S and other Western nations in 1975 Originating in China centuries ago they have been known by various names Miao Meo Miaozi Meng or San Miao some of them derogatory The Hmong in the West are war displaced refugees from China and Laos though they have been misidentified as belonging to other ethnic groups This mislabeling has caused confusion about the Hmong and their history This book details the history of the Hmong and their journey from Eastern to Western countries providing a clear understanding of an immigrant culture little understood by the American public Instructors considering this book for use in a course may request an examination copy here

Women's Lives around the World Susan M. Shaw, Nancy Staton Barbour, Patricia Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04

Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women s newer roles in society This four volume encyclopedia examines the lives of women around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women s lives and contributions Primary source documents include sections of countries constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations
