Bridge Across Broken Time Chinese And Jewish Cultural Memory:

Bridge Across Broken Time Vera Schwarcz, 2014-05 In this remarkable book Vera Schwarcz explores the meanings of cultural memory within the two longest surviving civilizations on earth The author of previous books that the New York Times Book Review called moving and Jonathan Spence termed subtle elegiac and elegant Schwarcz finds a bridge between the vastly different Chinese and Jewish traditions in the fierce commitment to historical memory they share For both a chain of remembrance has allowed tradition to endure uninterrupted from ancient times to the present for both the transmission of remembrance and the bearing of active witness to the significance of the past are high moral values From her unique standpoint as China scholar and daughter of survivors of the Holocaust Schwarcz uncovers resonances between the narratives of Chinese intellectuals recovering from the trauma of the Cultural Revolution and the halting tales of her own parents Focusing on the transmission of cultural memory in these two cultures the author examines how metaphor becomes an aid to memory the role of personal remembrance in public commemorations and the process of healing historical wounds Combining poetry and historiography oral interviews and archival documents this book brings to life the struggles of Chinese and Jewish survivors who managed to cultivate memory through inimical times and preserve the continuity of their long traditions

Avrum Ehrlich, 2008-06-26 This book is concerned with the areas where Jews and Chinese Judaism and Chinese religions and ideologies are converging or inter relate to each other It includes chapters on Confucianism the Kaifeng Jewish Descendants business and Chinese Israeli relations

The Theology of the Chinese Jews, 1000-1850 Jordan Paper, 2012-06-01 A thousand years ago the Chinese government invited merchants from one of the Chinese port synagogue communities to the capital Kaifeng The merchants settled there and the community prospered Over centuries with government support the Kaifeng Jews built and rebuilt their synagogue which became perhaps the world's largest Some studied for the rabbinate others prepared for civil service examinations leading to a disproportionate number of Jewish government officials While continuing orthodox Jewish practices they added rituals honouring their parents and the patriarchs in keeping with Chinese custom However by the mid eighteenth century cut off from Judaism elsewhere for two centuries their synagogue destroyed by a flood their community impoverished and dispersed by a civil war that devastated Kaifeng their Judaism became defunct The Theology of the Chinese Jews traces the history of Jews in China and explores how their theology's focus on love rather than on the fear of a non anthropomorphic God may speak to contemporary liberal Jews Equally relevant to contemporary Jews is that the Chinese Jews remained fully Jewish while harmonizing with the family centred religion of China In an illuminating postscript Rabbi Anson Laytner underscores the point that Jewish culture can thrive in an open society without hostility by absorbing the best of the dominant culture and making it one's own

Postcolonial Imagination and Feminist Theology Pui-lan Kwok, 2005-01-01 The burgeoning field of postcolonial studies argues that most theology has been formed in dominant cultures laden intrinsically with imperializing structures An essential

Memory and the Jesus Tradition Alan Kirk,2018-02-22 Alan Kirk argues that memory theory in its social cultural and cognitive dimensions is able to provide a comprehensive account of the origins and history of the Jesus tradition one capable of displacing the moribund form critical model He shows that memory research gives new leverage on a range of classic problems in gospels historical Jesus and Christian origins scholarship This volume brings together 12 essays published between 2001 and 2016 newly revised for this edition and organized under the rubrics of Memory and the Formation of the Jesus Tradition Memory and Manuscript Memory and Historical Jesus Research and Memory in 2nd Century Gospel Writing The introductory essay written for this volume argues that the old form critical model in marginalizing memory abandoned the one factor actually capable of accounting for the origins of the gospel tradition its manifestation in oral and written media and its historical trajectory
