

# SHOTLEY BRIDGE MURDERS

When DC Heather Hudson finds a throat-slashed body on a frozen riverbank, she's plunged into a chilling murder case linked to a decades-old injustice. Battling her controlling ex, a suspicious boss and the chaos of single motherhood, Heather uncovers a pattern that others miss. With her job on the line and the case far from over, Heather must decide whether to follow orders or trust her instincts in a race against time that could cost her everything.

**Defensive Killing** Helen Frowe,2014-10-23 Most people believe that it is sometimes morally permissible for a person to use force to defend herself or others against harm In Defensive Killing Helen Frowe offers a detailed exploration of when and why the use of such force is permissible She begins by considering the use of force between individuals investigating both the circumstances under which an attacker forfeits her right not to be harmed and the distinct question of when it is all things considered permissible to use force against an attacker Frowe then extends this enquiry to war defending the view that we should judge the ethics of killing in war by the moral rules that govern killing between individuals She argues that this requires us to significantly revise our understanding of the moral status of non combatants in war Non combatants who intentionally contribute to an unjust war forfeit their rights not to be harmed such that they are morally liable to attack by combatants fighting a just war
