Angel Energy John Randolph Price, 2011-07-13 The natural expression of the angels is Truth If we deny the truth we repress the energy of the angels But when we fully accept the eternal verities of life the angels go to work to bring everything up to the divine standard Within each one of us dwell the twenty two angels centers of Living Energy that provide us with all we need to sustain us on our journey through life They await only our readiness However the angels require our assistance to manifest changes in our lives They are able to free us from disease and death loneliness and unfulfillment lack and limitation only when we free them And so the author of the bestselling *The Angels Within Us* has written this book to help us set free the positive vibrations of these inner archetypes and their nothing is impossible energy Through meditations affirmations exercises dialogues with the twenty two angels and true stories of the miracles and transformations wrought by them he helps us liberate the power of the Divine within so that we can Awaken our higher consciousness Heal the past Communicate with angels awake and dreaming Find our right livelihood Enjoy prosperity Open ourselves to physical healing Find fulfillment in our relationships Surrender to unconditional love And much more Our angels are the very law of our being This remarkable book helps us to connect and flow with their universal rhythm of wholeness to
