Angels Of The Storm:

Angels of the Storm Sojourner, 2004-08-01 The Journey of Hope presents the author's struggles to uncover personal history long hidden by the Tennessee Children's Home Society TCHS. Beginning chapters describe why she was taken from her mother and handed over to Georgia Tann at TCHS in 1936 at the age of four. Early memories include riding in the big black car that took her from Memphis to Odessa, Texas, to a family that added the name Patricia and gave her a new life. In 1987 she decides to confront her past and search for her birth parents and the truth behind her legal abduction and illegal adoption. What she discovers is both joyous and harrowing. She tells of the process of finding siblings and visiting the graves of her parents and Tann. Her work discusses her rejuvenated commitment to God and faith and how she forgave Tann who sold children for profit and the judge that facilitated her efforts. Crafted from personal experiences, this is a moving account that has a strong authorial voice that resonates throughout. The work is confidently written, drawing the reader into the fabric of the story. The pain and emotion is subtly woven into the richly textured narrative, making for affecting reading. From Tragedy to Triumph explores how her devotion has guided her through the emotional process and helped her see the hope in an unfortunate situation.

A Poemers Poemings Marjory Bennett, 2010-05-28 I chose the title A Poemers Poemings because it means for me that of someone to whom is always writing about something anything and its odd and catchy at the same time and it's the main title for the series that I am writing in volumes too many to put all into one book. I think of my poems all as individual artworks, all their own, a completeness from start to finish, a journey, a path, a message that will inspire, mesmerize, intrigue, and take you to that deepness that hasn't been felt or known of your own self. Allow yourself to think for out there to see what each one is telling you. Envision the poem and let yourself see the answers to your own thoughts of these pieces of artworks.

Angels and Visitors Jean-Mark Sens, 2022-06-21 Angels and Visitors encompasses diverse angels revealed in their spirituality through our material world according to the circumstances and happenstance in which they are encountered. Angels and Visitors is an inspired collection with personae coming from all walks of life, set at the intersection of the ordinary and the extraordinary. This collection strives to reveal that the way of the imagination and the mystical are entwined in the movement of soul that seeks their presence. The end section relates to humans who are harbingers of news and is inspired by a series written at Mepkin Abbey, a Trappist community in South Carolina.

An Angel a Day Ann Spangler, 1994 Angels are part of God's ingenious provision for us, wonderful gifts he has given to protect, inspire, and lead us safely home to him. Because God cares for us and because the angels are his servants, we can claim them as our powerful friends. Thinking of angels can ease our sorrows, strengthen our faith, and lighten our hearts. Yet we often neglect the angels by failing to recognize their importance in Scripture and by ignoring the traces of their presence in our lives. An Angel a Day offers sixty brief meditations on angelic encounters in both Scripture and in the lives of ordinary men and women. Anything but tame, the angels show us what it means to worship God with true passion. They pull off stunning rescues, engage in
