Anger Management Rebecca Dolton,1900 Are you sick and tired of anger taking over your emotions influencing how you think feel and react in certain situations Maybe you have decided that enough is enough and you are ready to tackle your issues with anger head on and rid your life of them for good I have been there myself which is why I have written this book for people just like you someone who is ready to make a positive change in their life but just isn t quite sure where to start I first noticed how my temper was impacting my life when it started seriously hurting my relationships with my partner friends and family I realized at this stage that I needed to make a change and that no one was going to be able to help me until I

helped myself first I did hours of research online only to realize that it was very hard to find any books that effectively explained the issue of anger management and provided the tools needed to eradicate it from my life With that in mind I set about writing this book so that the information was much easier to find for other like minded individuals who were ready to change these negative habits and stop being controlled by their emotions Within Anger Management you will be pleased to find The root causes of anger issues and how to understand which ones affect you the most A range of tips and ideas on how to squash your feelings of anger and in the long run replace them with more rational thinking Useful tips on how to maintain better habits going forwards and prevent anger issues from rearing its ugly head in the future Don t let anger control another minute of your life Purchase this book today and readjust your mindset forever [Anger Trap](#) Elizabeth Weiss,1985-06-01

Stabb, 2003 Conventional wisdom tells us that anger is a dangerous emotion and that we should do whatever we can to temper it and keep it under wraps For women anger is especially frowned upon we view it as unflattering bitchy and a sure fire way to sabotage our careers and relationships But in fact angry emotions are one of the greatest gifts we possess As authors Deborah Cox Sally Stabb and Karin Bruckner show in this landmark book when expressed openly and directly anger can be a remarkable positive tool for transforming women s lives Based on the authors nationally acclaimed six year study on the links between gender and anger The Anger Advantage offers women everywhere an entirely new paradigm for thinking about anger and shows why diverting it is rarely the best idea Their findings showed that women who are uncomfortable with how they are being treated at home or work who try to hide their anger or struggle to voice tensions not only risk a host of physical ailments such as headaches and depression but become hostages in stagnant unfulfilling relationships and lose touch with their own motivations and needs In contrast women who embrace their angry emotions and learn to express them in open productive ways experience heightened intellectual clarity greater self esteem and the passion and energy to spark life altering change Publisher How to Beat the Anger Trap Donald J.
