A Breath of Magic Hope Saphos DeVenuto, 2017-04-17 A Breath of Magic is a guide for magicians that are wanted and needed in the world to make a difference Easy breathing instructions are included and no batteries are needed Our breath is the active ingredient of magic that manifests our wishes The living message of this book is that magic is tangible when you breathe and merge with nature For when you do watch out your world will transform just as the identical twins Nicholas and Gabriellas did one day after school Their parents are struggling working two jobs each to make ends meet George T their neighbor and an illustrious retired professor watches over them and walks them home on their last day of school and introduces them to the energy of nature and much more They are initiated and are led to more experiences of its power that they find within themselves The energy awakens their senses and inner core to a memory of the powerful magic that is theirs and that sparks its magical presence within their hearts Their loving energy weaves their journey into a colorful tapestry each thread displaying their inner wisdom where through their hearts breath they become the sole creators and true healers of their world
