**My Gender Workbook** Kate Bornstein,2013-06-19 Gender isn t just about male or female anymore if you have any doubts just turn on your television RuPaul is as familiar as tomato ketchup with national radio and television shows and transgendered folk are as common to talk shows as screaming and yelling But if the popularization of gender bending is revealing that male and female aren t enough where are we supposed to go from here Cultural theorists have written loads of smart but difficult to fathom texts on gender but none provide a hands on accessible guide to having your own unique gender With My Gender Workbook Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender Bornstein starts from the premise that there are not just two genders performed in today s world but countless genders lumped under the two gender framework Using a unique deceptively simple and always entertaining workbook format Bornstein gently but firmly guides you to discover your own unique gender identity Whether she s using the USFDA s food

group triangle to explain gender or quoting one liners from real gender transgressors Bornstein s first and foremost concern is making information on gender bending truly accessible With quizzes and exercises that determine how much of a man or woman you are My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference and puts books like Men are from Mars Women are from Venus squarely where they belong on Uranus If you don t think you are transgendered when you sit down to read this book you will be by the time you finish it

*Torn 3: Surviving the Human Snake Pit* Ella Johnson,2017-07-17 Torn 3 Surviving the Human Snake Pit is a continuation of the passion and pain that exists in the life of Melissa MeMe Thomas Williams Torn 2 ended with a nail biter after Melissa received a message on her phone that will change everything and in this book youll finally see what was actually on that text message that tests Melissas faith in God all the more Now that shes divorced and living the single life again she finds nothing wrong with igniting old flames but is there enough heat between her and an ex lover to keep the flame burning or will she get too close and end up getting burned Its no secret that in times of trouble we tend to run to the church for spiritual restoration But is it enough to keep a troubled Melissa on the straight and narrow path or will she meet someone whose troubled past sends them both to a point of no return New to the Miami scene and fresh out of Louisiana Bradford James arrives into town but what is he running from Torn 3 Surviving the Human Snake Pit is based on true events that will leave you speechless in tears and cheering for Melissas survival from the human snakes that are lurking at every corner of her life Will there be a rainbow at the end of this storm Or better yet who will be at the end of the storm After reading this book you will be so inspired that youll begin to jump off the cliffs in your own life without worrying if the parachute opens or not
