## Clays People 1:

Cassius Marcellus Clay Anne E. Marshall,2025-08-14 The nineteenth century Kentucky antislavery reformer Cassius Marcellus Clay is generally remembered as a knife wielding rabble rouser who both inspired and enraged his contemporaries Clay brawled with opponents while stumping for state constitutional changes to curtail the slave trade He famously deployed cannons to protect the office of the antislavery newspaper he founded in Lexington Despite attempts on his life he helped found the national Republican party and positioned himself as a staunch border state ally of Abraham Lincoln During the Civil War he served as US minister to Russia working to ensure that European allies would not recognize the Confederacy And yet he was a slave owner until the end of the Civil War Though often misremembered as an abolitionist Clay was like many Americans of his time interested in a gradual end to slavery but largely on grounds that the institution limited whites ability to profit from free labor and the South s opportunity for economic advancement In the end Clay s political positions were far more about protecting members of his own class than advancing the cause of Black freedom This vivid and insightful biography reveals Cassius Clay as he was colorful yes but in many ways typical of white Americans who disliked slavery in principle but remained comfortable accommodating it Reconsidering Clay as emblematic rather than exceptional Anne E Marshall shows today s readers why it took a violent war to finally abolish slavery and why African Americans demands for equality struggled to gain white support after the Civil War

**John Randolph Clay** George Irvin Oeste,2016-11-11 This is the biography of a nineteenth century gentleman whose career in the diplomatic service of his country contributed greatly to the worldwide expansion of American trade and commerce John Randolph Clay 1808 1885 son of a Philadelphia Congressman was named in honor of John Randolph his father s friend and political associate with whom he lived after his father s death In 1830 John Randolph appointed Minister to Russia secured the appointment of Clay as Secretary of Legation Randolph soon returned home seriously ill leaving Clay as Charge d Affaires Although youthful and inexperienced Clay acquitted himself well continuing in diplomatic posts in Russia and Austria for seventeen years From 1847 to 1860 Clay was the diplomatic representative of the United States in Peru He worked tirelessly whether applying pressure for the payment of claims protecting the business and personal interests of Americans or insisting on the rights of our citizens to participate in the guano trade He negotiated treaties of commerce maritime rights and whaling rights with the Peruvian government His greatest triumph came in avoiding a rupture with Peru at the time of the Lobos Islands controversy During the thirty years in which he served his country in foreign lands Clay saw the coming of the steamship the railroad and the telegraph He met or was on terms of personal friendship with many of the great men of the age Prince Metternich Louis Phillipe Count Nesselrode and the Peruvian dictator president Castilla He was equally at ease amid the splendors of court life in St Petersburg or Vienna or in the shabby palace of the Peruvian president in the ancient city of Lima His story fascinating in itself is also the story of the growth of the United States diplomatic service
