Clear Body Clear Mind:

Clear Body, Clear Mind L. Ron Hubbard, 2002 Clear Body Clear Mind Find out about the only effective program that eliminates the devastating effects of drugs and toxins Hundreds of thousands have done this program and live happier more perceptive and aware lives as a result Read the book Clear Body Clear Mind Purification and Life by L Ron Hubbard We live in a chemical oriented society One would be hard put to find someone in the present day civilization who is not affected by this fact The vast majority of the public is subjected every day to the intake of food preservatives and other chemical poisons including atmospheric poisons pesticides and the like Added to this are the pain pills tranquilizers and other medical drugs used and prescribed by doctors And we have as well the widespread use of marijuana LSD angel dust and other street drugs which contribute heavily to the scene I have even found that there is such a thing as the drug personality Drugs can apparently change the attitude of a person from his original personality to one secretly harboring hostilities and hatreds he does not permit to show on the surface While this possibly is not always the case it does establish a linkage between drugs and increasing difficulties with crime production program execution and the modern breakdown of the social and industrial culture These factors are all part of the biochemical problem WHY PURIFICATION We have known since 1968 that it is a mistake to try to do mental and spiritual handling on somebody who has been on drugs People who have been on drugs do not make case gain until the drugs are handled In 1977 I stated that LSD apparently stays in the system lodging in the tissues and mainly the fatty tissues of the body and is liable to go into action again giving the person unpredictable trips From the most recent research developments it now appears that Not only LSD but other chemical poisons and toxins preservatives pesticides etc as well as medical drugs and the long list of heavy street drugs angel dust heroin marijuana etc can lodge in the tissues and remain in the body for years Even medicinal drugs such as diet pills codeine novocaine and others have gone into restim restimulation years after they were taken and had supposedly been eliminated from the body Thus it seems that any or all of these hostile biochemical substances can get caught up in the tissues and their accumulation probably disarranges the biochemistry and fluid balance of the body Drug residues can stop any mental health They also stop a person s life The removal of these life hostile chemical substances from the body of any person apparently speeds and in some cases even makes possible case gain It is even worth doing for its own sake The Purification Rundown therefore is for anyone L Ron Hubbard Find out exactly what the Purification Program can do for YOU Buy Clear Body Clear Mind by L Ron Hubbard *Clear Body, Clear Mind* L. My Scientology Story Diana Dudas,2020-12-08 One of the most commonly asked questions about Scientology is this how can a person of sound mind believe any of it and fall into this very amateurish looking trap Why does it seem so valuable that people sacrifice all their energy time and money for this system which seems suspicious even at first glance And how can such a seemingly primitive scam still exist after almost 70 years The initial question is answered by the shocking story of Diana Dudas The book was first published on March 21 2019 in Hungary and judging from the responses received so far it rapidly became a readers favourite and a source of inspiration to many In addition to a heart wrenching story which is presented in gripping detail the book also contains a detailed and precise description of the everyday life of a Scientologist As one reviewer put it her radiant brave and iron willed personality and her unique storytelling style infuse the entire novel and make it a real page turner The reader will have a better understanding of the whys and wherefores by following her along her path in Scientology This book is recommended to anyone who would like to better understand the inner workings of this so called church Especially those people who want to take a stand against this sophisticated well established system that is dripping with malice There is no great arsenal of effective weapons to fight it but one of them is knowledge through gaining a thorough understanding of the monster one faces
