Thirty-Two Years of Stalking and Harassment with Supernatural Activities Mackey McClay, 2025-08-14. I have some very real, blow-your-mind information to share with you. I am talking about twenty-nine years of stalking that is out of this world, cruel, wicked, and evil. The name of my stalker is Clifford Roach Jr. I met this man while I was working at an Upstate New York hospital, and he later came to masquerade as a nurse's assistant. We began seeing one another, and before long he decided he was going to come live with my kids and me. I did not object. I was a lonely single mother who needed companionship. What a colossal mistake that turned out to be. I was born and raised on the beautiful Island of Jamaica. I migrated to this country back in the 70s. After being here for several years, I had gone back, gotten married to my long-time sweet heart, who is the father of my young son. He later entered this country also, but the marriage did not survive for long. I had met a man while his papers were being processed by the Immigration Department back home. To start with a clean slate, I had told him about my affair with the other guy. But the marriage was basically finished. He had met an American woman and bought her an engagement ring while we were still married. Then he, his mom, and his new fiancée decided they were going to drive me away so they could all be together. I retaliated in ways I shouldn't have. Somebody doesn't want you? Just move on. It's the best way.
