Clinical Approaches To Sex Offenders And Their Victims:

Clinical Approaches to Sex Offenders and Their Victims Clive R. Hollin, Kevin Howells, 1991-03-29 This work brings together a range of diverse but related material on the topic of understanding and treating sex offences dealing with both the victim and the offender Advocating a clinical approach to treatment it considers both theoretical and practical components Contributors from varied fields including psychiatry psychology and social work focus on three specific areas within their specialist fields empirical research theories built upon the data practical application of the research and theory Also provides a range of theoretical views and styles of clinical practice that are relevant to both offenders and victims **Psychological**

Perspectives on Sexual Problems Jane M. Ussher, Christine D. Baker, 1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of Psychological Perspectives on Sexual Problems is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders Psychological Perspectives on Sexual Problems is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality **Treating Sex Offenders** Sarah Brown, 2013-07-04 This book aims to provide an introduction and overview of sex offender treatment programmes designed for students and practitioners coming to this field

It seeks to describe the development theoretical underpinnings treatment goals and operation of cognitive behavioural and other programmes to an audience unfamiliar with this form of rehabilitation In addition it aims to examine the effectiveness of these programmes and the difficulties associated with assessing this the public response to treatment and also the effects on staff responsible for implementing them The book is concerned particularly to assess the operation of sex offender treatment programmes in the UK context considering also the issues associated with implementing programmes developed in other contexts especially the USA and Canada It will be of interest to practitioners particularly those who are beginning work on sex offender treatment programmes or others such as health workers social workers probation officers who come into contact with these programmes indirectly **Treatment Programs for Sex Offenders** Edward M. Brecher, 1978

Adolescent Forensic Psychiatry Susan Bailey, Mairead Dolan, 2004-06-25 Adolescent Forensic Psychiatry discusses a broad range of issues based around the psychiatric needs of adolescents and how these relate to offending behaviour Its well

structured approach looks at assessment treatment and outcomes for different disorders and highlights the importance of effective interaction between specialist agencies Services Federal Probation, 1992 **Theories of Sexual Offending** Tony Ward, Devon Polaschek, Anthony R. Beech, 2006 New theoretical perspectives on sexual offending from one of the leading figures in the field **Handbook of Offender Assessment and Treatment** Clive R. Hollin, 2001 Provides an up to date review of current knowledge and best practice in the rehabilitation and treatment of offenders in community prison and secure hospital settings Sections cover the rationale and objectives of treatment risk assessment the whole range of approaches to treatment including behavioural cognitive family work reasoning rehabilitation and anger management and the assessment and treatment of various categories of offenders and problems with detailed chapters that include child abuse violence mentally disordered offenders and sex offenders Also includes a section dealing with different types of treatment settings maximum security hospitals residential settings and in the community **Treating Victims of Child Sexual Abuse** John Briere, 1991 **The British Journal of Criminology**, 1992 Includes articles on criminology penology probation and criminal justice **The Clinician's Handbook** Robert G. Meyer, Sarah E. Deitsch, 1996 Changes in the widely used DSM IV Diagnostic and Statistical Manual of Mental Disorders and MMPI 2 Minnesota Multiphasic Personality Inventory are covered in depth In fact coverage of the DSM IV and MMPI 2 is so complete that this volume can serve as a primary reference on these topics as well as a general diagnostic assessment and treatment resource *Effective Interventions for Child Abuse and Neglect* Geraldine Macdonald, 2001-02 Why are some children abused or neglected What can be done to protect and help them A key element of informed decision making is knowing what sort of problems are amenable to what sort of intervention in what circumstances and with what degree of certainty *Effective Interventions for Child Abuse and Neglect* provides a thorough and detailed review of the available research and makes suggestions as to how this evidence can be incorporated into professional child protection work Geraldine Macdonald first considers the range of evaluative tools available with illustrations from existing research studies and reviews and appraises their respective merits and limitations She then describes the interplay of a range of causal factors in abuse and neglect and considers different types of maltreatment and their potential consequences Evidence for effective preventative and therapeutic measures are considered next followed by a final section on accurate assessment and the use of formal tools in risk management **The Psychology of Interrogations and Confessions** Gisli H. Gudjonsson, 2003-01-10 In this sequel to *The Psychology of Interrogations Confessions and Testimony* Gisli Gudjonsson focuses specifically on aspects of vulnerability confabulation and false confessions supported by vivid case illustrations and the latest theories Paedophiles and Sexual Offences Against Children Dennis Howitt, 1995-04-18 The author adopts a simple value stance thus enabling a wide variety of perspectives on adult child sexual contacts to be explored including those less hostile to paedophiles Extensive in depth case histories and interviews provide insight into offenders and their lifestyles The criminogenic role of sexual fantasy and pornography in

sexual offences against children is discussed in unprecedented detail Features comprehensive accounts of assessment treatment and theoretical issues in offending *Mental and Physical Disability Law Reporter*, 1992 **The Evidence of Children** John R. Spencer, Rhona H. Flin, 1993 This is an account of the civil and criminal rules affecting children in England Scotland and Northern Ireland reviewing them in the light of the findings of psychologists and social scientists and makes proposals for reform There have been many important developments which include hearsay evidence which has become freely available in civil proceedings involving children in both England and Scotland videotapes of earlier interviews which have become admissible in criminal proceedings in England in Scotland the law has been changed to allow the whole of a child's evidence in a criminal case to be taken ahead of trial on commission there has been a wave of popular concern about ritual abuse and among psychologists there is increasing concern about both repressed and implanted memories Current Law Index, 1992 Assessing Risk in Child Protection Hedy Cleaver, Corinne Wattam, Pat Cawson, 1998 The assessment of risk to children from their own families is one of the most sensitive and difficult tasks faced by social workers The Department of Health commissioned the NSPCC to find ways of feeding research evidence into day to day social work practice The pack includes a separate booklet Ten pitfalls and how to avoid them which summarizes the main research findings and takes social workers through the stages of the crucial first interview with a family when an allegation of abuse or neglect has been made Also included is a chart helping with information collection at referral stage This publication is aimed at social workers new to child protection their managers and social work students Child Abuse, Child Development, Social Policy Dante Cicchetti, Sheree L.
