

Claude Levi Strauss

Marcel Hénaff

Claude Levi Strauss:

Myth and Meaning Claude Lévi-Strauss, 2013-12-13 The anthropologist Claude Levi Strauss was one of the greatest intellectuals of the twentieth century His work has had a profound impact not only within anthropology but also linguistics sociology and philosophy In this short book he examines the nature and role of myth in human history distilling a lifetime of writing into a few sharp insights It is a crystalline overview of many of the basic ideas underlying his work including the theory of structuralism and the difference between primitive and scientific thought and shows why Levi Strauss remains a hugely important intellectual figure With a new foreword by Patrick Wilcken

Claude Lévi-Strauss and the Making of Structural Anthropology Marcel Hénaff, 1998 As anthropology continues to transform itself this book affords a broad and balanced account of the remarkable accomplishments of one of the great intellectual innovators of the 20th century It presents an authoritative and accessible analysis of Claude Levi Strauss's research in anthropological theory and practice as well as his contributions to debates surrounding linguistics epistemology ethics and aesthetics

Levi-Strauss Emmanuelle Loyer, 2018-11-05 Academic writer figure of melancholy aesthete Claude Lévi Strauss 1908-2009 not only transformed his academic discipline he also profoundly changed the way that we view ourselves and the world around us In this award winning biography historian Emmanuelle Loyer recounts Lévi Strauss's childhood in an assimilated Jewish household his promising student years as well as his first forays into political and intellectual movements As a young professor Lévi Strauss left Paris in 1935 for São Paulo to teach sociology His rugged expeditions into the Brazilian hinterland where he discovered the Amerindian Other made him into an anthropologist The racial laws of the Vichy regime would force him to leave France yet again this time for the USA in 1941 where he became Professor Claude Lévi Strauss to avoid confusion with the jeans manufacturer Lévi Strauss's return to France after the war ushered in the period during which he produced his greatest works several decades of intense labour in which he reinvented anthropology establishing it as a discipline that offered a new view on the world In 1955 *Tristes Tropiques* offered indisputable proof of this the world over During those years Lévi Strauss became something of a French national monument as well as a celebrity intellectual of global renown But he always claimed his perspective was a view from afar enabling him to deliver incisive and subversive diagnoses of our waning modernity Loyer's outstanding biography tells the story of a true intellectual adventurer whose unforgettable voice invites us to rethink questions of the human and the meaning of progress She portrays Lévi Strauss less as a modern than as our own great and disquieted contemporary

Claude Levi-Strauss Edmund Leach, 1989-10-15 In this lucid guide to the often abstruse works of Claude Lévi Strauss Edmund Leach synthesizes the thought of one of the twentieth century's greatest anthropologists and provides a thoughtful introduction to the theory and practice of structuralism Leach organizes his work not by chronology but by theme exploring three important topics in Lévi Strauss's work human beings and their symbols the structure of myth and kinship theory Written concisely and with great care and penetration this brief book is both a fine

introduction for the uninitiated reader of Lévi-Strauss and a critical analysis that will prove valuable to those more familiar with the anthropologist's work

Claude Lévi-Strauss Edmund Ronald Leach, 1967 **The View from Afar** Claude Lévi-Strauss, 1992-12 This collection touches on a wide range of anthropological issues including family and marriage myths and rites the environment and its representation and constraint and freedom The essays encompass more than forty years of analysis and constrain arguments that are as relevant today as they were thirty years ago Hardly a field remains untouched sociobiology linguistics botany genetics psychiatry esthetics ecology politics neuroscience education morality psychology It's all breathtaking and alarming some of it wonderful some of it ridiculous At times the experience is exhilarating Richard A Shweder New York Times Book Review

The Raw and the Cooked Claude Lévi-Strauss, 1983-03-15 In anthropological terms the concept of the raw versus the cooked has long been associated with the dichotomy between the natural world and the world of human culture In a broad based empirical study of native mythologies Claude Lévi-Strauss proposes a structural and thematic link between the opposition of the raw and the cooked in mythological thought and man's attempt to establish a balanced relationship between natural and cultural forces Lévi-Strauss postulates that the raw-cooked axis is characteristic of all human culture with elements falling along the raw side of the axis being those of natural origin and those on the cooked side being of cultural origin i.e. products of human creation Symbolically cooking marks the transition from nature to culture by means of which the human state can be defined in accordance with all its attributes In mythological thought the cooking of food is in effect a form of mediation between nature and society between life and death and between heaven and earth The cook in turn can be viewed as a cultural agent whose function is to mediate the conjunction of the raw product and the human consumer the operation of which has the effect of making sure the natural is at once cooked and socialized

Conversations with Claude Lévi-Strauss Claude Lévi-Strauss, 1969 At the age of eighty one of the most influential yet reclusive intellectuals of the twentieth century consented to his first interviews in nearly thirty years Hailed by *Le Figaro* as an event the resulting conversations between Claude Lévi-Strauss and Didier Eribon a correspondent for *Le Nouvel Observateur* reveal the great anthropologist speaking of his life and work with ease and humor Now available in English the conversations are rich in Lévi-Strauss's candid appraisals of some of the best known figures of the Parisian intelligentsia surrealists André Breton and Max Ernst with whom Lévi-Strauss shared a bohemian life in 1940s Manhattan de Beauvoir Sartre and Camus the stars of existentialism Leiris Foucault Dumezil Jacob Lacan and others His long friendships with Jakobson and Merleau-Ponty are recalled as well as his encounters with prominent figures in American anthropology Lowie Boas who suddenly died in his chair beside Lévi-Strauss at a banquet at Columbia University Benedict Linton Mead and Kroeber Lévi-Strauss speaks frankly about how circumstances and his own inclinations after his early fieldwork in Brazil led him to embrace theoretical work His straightforward answers to Eribon's penetrating questions What is a myth What is structuralism Are you a philosopher clarify his intellectual motives and the development of his research his influential role as

an administrator including the founding of the Laboratory of Social Anthropology and of the journal *L'Homme* the course of his writings from *Elementary Structures of Kinship* to *The Jealous Potter* and his thoughts on the conduct of anthropology today Never before has Levi Strauss spoken so freely on so many aspects of his life his initial failure to be elected to the Collège de France his reaction to the events of May 1968 his regrets at not being a great investigative reporter or playwright his deep identification with Wagner Proust and Rousseau This is a rare opportunity to become acquainted with a great thinker in all his dimensions

Claude Lévi-Strauss Maurice Godelier, 2018-08-07 One of the world's leading anthropologists assesses the work of the founder of structural anthropology As a young man Maurice Godelier was Claude Lévi Strauss's assistant Since then Godelier has drawn on this experience to develop a profound and intimate grasp on the writings of his former teacher one of the most influential thinkers of the twentieth century Meticulously researched Lévi Strauss *A Critical Study of His Thought* will prove indispensable to students of Lévi Strauss and to structural anthropologists more generally It is a compelling and comprehensive study destined to become the definitive work on the evolution of Lévi Strauss's ideas at the heart of which lies his analysis of kinship and myth

Claude Lévi-Strauss Eugene Nelson Hayes, 1970

Claude Lévi-Strauss Patrick Wilcken, 2012-01-31 When Claude Lévi Strauss passed away in 2009 at age 100 France celebrated the life and contributions of not only a preeminent anthropologist but one of the defining intellectuals of the 20th century Just as Freud had shaken up the antiquarian discipline of psychiatry so had Lévi Strauss revolutionized anthropology transforming it from the colonial era study of exotic tribes to one consumed with fundamental questions about the nature of humanity and civilization itself Remarkably there has never been a biography in English of the enigmatic Claude Lévi Strauss Drawing on a welter of original research and interviews with the anthropologist Patrick Wilcken's *Claude Lévi Strauss* fills this void In rich detail Wilcken recreates Lévi Strauss's peripatetic life his groundbreaking fieldwork in some of the remotest reaches of the Amazon in the 1930s his years as a Jew in Nazi occupied France and an emigré in wartime New York and his return to Paris in the late 1940s where he clashed with Jean Paul Sartre and fundamentally influenced fellow postwar thinkers from Jacques Lacan to Michel Foucault and Roland Barthes It was in France that structuralism the school of thought he founded first took hold creating waves far beyond the field of anthropology In his heyday Lévi Strauss was both a hero to contemporary intellectuals and an international celebrity In *Claude Lévi Strauss* Wilcken gives the reader a fascinating intellectual tour of the anthropologist's landmark works *Tristes Tropiques* his most famous book a literary meditation on his travels and fieldwork *The Savage Mind* which showed that primitive people are driven by the same intellectual curiosities as their Western counterparts and finally his monumental four volume *Mythologiques* a study of the universal structures of native mythology in the Americas In the years that Lévi Strauss published these pioneering works Wilcken observes tribal societies seemed to hold the answers to the most profound questions about the human mind Following the great anthropologist from São Paulo to the Brazilian interior and from New York to Paris Patrick Wilcken's *Claude Lévi Strauss* is

both an evocative journey and an intellectual biography of one of the 20th century's most influential minds **The Other Face of the Moon** Claude Lévi-Strauss, 2013-03-05 Gathering all of Claude Lévi-Strauss's writings on Japan this sustained meditation follows his dictum that to understand one's own culture one must see it from another's point of view For Lévi-Strauss Japan occupied a unique place among world cultures This English translation presents one of France's most public figures at his most personal *Claude Lévi-Strauss* Patrick Wilcken, 2011-11-21 Claude Lévi-Strauss the father of modern anthropology and author of the classic *Tristes tropiques* was one of the most influential intellectuals of the second half of the twentieth century Dislodging Sartre Camus and de Beauvoir from the pinnacle of French intellectual life in the 1950s he brought about a sea change in Western thought and inspired a generation of thinkers and writers including Michel Foucault Roland Barthes and Jacques Lacan with his structuralist theories Lévi-Strauss's bohemian childhood and later studies of the emerging discipline of anthropology in the field and the university led him to mix with intellectuals artists and poets from all over Europe Tracing the evolution of his ideas through interviews with the man himself research into his archives and conversations with contemporary anthropologists Wilcken explores and explains Lévi-Strauss's theories revealing an *artiste manqué* who infused his academic writing with an artistic and poetic sensibility *Conversations with Claude Lévi-Strauss* Claude Lévi-Strauss, 1971 Claude Lévi-Strauss, 1987 *Claude Lévi-Strauss* David Pace, 2015-07-03 Lévi-Strauss is one of the intellectual giants of the twentieth century yet he is a very private and isolated figure who has been reticent about himself This book first published in 1983 provides a fascinating insight into his character through a careful reading of the more speculative passages of his books and interviews His personal existential and psychological orientation is explored through a structural analysis of *Tristes Tropiques* his most personal book and his writings on art nature and civilization and through a consideration of his debt to Rousseau Dr Pace examines in depth Lévi-Strauss's critique of cultural evolutionism and his attack on the notion of world history He assesses the political implications of Lévi-Strauss's own interpretation of human progress through an examination of his debates with Sartre and other Marxists in the 1950s and 1960s and his subsequent movement to the right The author's concern throughout is to place the world view of this great French anthropologist in the context of twentieth century intellectuals struggle to come to grips with cultural relativism and the problem of the primitive The Savage Mind Claude Lévi-Strauss, 1966 Discusses the significance of totemism among primitive peoples and its interpretation by anthropologists and philosophers Myth and Meaning Claude Lévi-Strauss, 1978 Humanity, what is It? Claude Lévi-Strauss, California Indian Library Collections Project, 1966 **Claude Lévi-Strauss, an Introduction** Octavio Paz, J. S. Bernstein, Maxine Bernstein, 1971

This is likewise one of the factors by obtaining the soft documents of this **Claude Levi Strauss** by online. You might not require more era to spend to go to the book establishment as well as search for them. In some cases, you likewise attain not discover the publication Claude Levi Strauss that you are looking for. It will categorically squander the time.
