Clea and Zeus Divorce Emily Prager,1987-01-01 Clea & Zeus Divorce Emily Prager,1987 Together Clea and Zeus became a show business phenomenon but now they are divorcing and they have decided to make their last television special a creative chronicle of their breakup A cast of characters only Emily Prager could invent Divorce Glenda Riley,1997-01-01 According to Glenda Riley the historical conflict between anti divorce and pro divorce factions has prevented the development of effective beneficial divorce laws procedures and policies Today we still lack processes that move spouses out of unworkable marriages in a constructive fashion and get them back into the mainstream of life in a stable productive condition Her pioneering historical overview offers proposals for dealing with a subject that now pertains to nearly half of all marriages Wuhu Diary Emily Prager,2007-12-18 In 1994 an American writer named Emily Prager met her new daughter LuLu All she knew about her was that the baby had been born in Wuhu a city in southern China and left near a police station in her first three days of life Her birth mother had left a note with Lulu s western and lunar birth dates In 1999 Emily and her daughter now a happy fearless four year old returned to China to find out more That journey and its discoveries unfold in this lovely touching and sensitively observed book In Wuhu Diary we follow Emily and LuLu through a country where children are doted on yet often summarily abandoned and where immense human friendliness can coexist with outbursts of state orchestrated hostility particularly after the U S accidentally bombs the Chinese embassy in Belgrade We see Emily unearthing precious details of her child s past and LuLu coming to terms with who she is The result is a book that will delight anyone interested in China and that will move and instruct anyone who has ever adopted or considered adopting a child
