## Clicking Stones:

**Clicking Stones** Nancy Tyler Glenn, 1989      **Clicking Stones** Nancy Tyler Glenn, 1989 Seven year old Erica stumbles into a mystical place where a mysterious old woman gives her a stone A very special stone A Clicking Stone Striking it against any other stone causes both to flare into incredible brilliance Except not everyone can see the brilliance and Erica does not yet know the power of her Stone Morgan moves in next door The girls grow up together and one day the two click stones Knowledge of Erica s gift spreads creating a worldwide movement of adherents to the illumination power of Clicking Stones Still the question remains why do some people see the brilliance and gain energy from it and some do not There is no discernible pattern or reason Throughout all these evolutionary events there is the love between Erica and Morgan a love that survives separation and their loving of other women A love of extraordinary intensity and eroticism a love that transcends the passing years and finally astonishingly time itself      **Secret Father** James Carroll, 2005-01-24 From a New York Times bestselling author a gripping and beautifully written novel of love and family set against the backdrop of Cold War Berlin Bookpage Berlin 1961 Days before the Wall rises three teenagers from an American school in West Germany travel to the Communist side of the divided city to join a May Day rally One of them has brought along a flight bag belonging to his father a US intelligence officer Before long the teens are in the custody of the secret East German police the notorious Stasi Unbeknownst to them their parents have unfinished business reaching back to World War II which will pull the three friends into the vortex of an international incident Told through flashbacks by alternating narrators Secret Father is a novel of missed signals cloaked motives false postures and panicked responses that tragically echo across borders and generations Like the classic period thrillers of Graham Greene James Carroll s politically charged coming of age tale provides a somber and evocative look at some of the most frightening times in one of the most frightening places in the Cold War Kirkus Reviews Carroll writes with rich lyrical ease raves Publishers Weekly His characters are richly drawn and the pieces of his impeccably paced story fit together with the cool precision of a Mercedes Benz      *Lines and Shadows* Joseph Wambaugh, 2016-04-20 The true story only Joseph Wambaugh could tell A band of California cops set loose in no man s land to come home heroes Or come home dead Not since Joseph Wambaugh s bestselling *The Onion Field* has there been a true police story as fascinating as totally gripping as *Lines and Shadows* The media hailed them as heroes Others denounced them as lawless renegades A squad of tough cops called the Border Crime Task Force A commando team sent to patrol the snake infested no man s land south of San Diego Not to apprehend the thousands of illegal aliens slipping into the U S but to stop the ruthless bandits who preyed on them nightly relentlessly robbing raping and murdering defenseless men women and children The task force plan was simple They would disguise themselves as illegal aliens They would confront the murderous shadows of the night Yet each time they walked into the violent blackness along the border they came closer to another boundary line a fragile line within each man And crossing it meant destroying their sanity and their lives Praise for *Lines and*

Shadows With each book it seems Mr Wambaugh s skill as a writer increases In Lines and Shadows he gives an off trail action packed true account of police work and the intimate lives of policemen that for my money is his best book yet The New York Times Book Review A saga of courage craziness brutality and humor One of his best books comparable to The Onion Field for storytelling and revelatory power Chicago Sun Times **The New Pulp** Simon Spurrier, Al Ewing, 2013-02-03 PULP IS DEAD Or so we re told Those dusty cheaply printed paperbacks you knew and loved of old have lost their relevance People don t want fast paced adventure They want dreary ten volume collections of thousand page tomes recounting the lives of the introspective and self doubting And yet a quick glance at the shelves today shows the spirit of action and heroism is alive and well in the modern imagination Abaddon presents three of their best stories of derring do relentless violence and sheer pluck In Simon Spurrier s The Culled a special ops soldier murders his way across a post apocalyptic continent to find the one he loves In Al Ewing s El Sombra a maddened poet left for dead in the desert returns as a laughing angel of vengeance to destroy the Ultimate Reich And in Pat Kelleher s Black Hand Gang a pal s batallion of WWI Tommies is plucked from the Somme and dropped in a world of ghastly aliens and sudden death *The Bard of Sorcery* Gerard Houarner, 1986-01-01 THE MAN WHO FLED When Tralane an itinerant bard was captured by the dread Sorcerer King his only hope lay in stealing the Eye of Wyden With that powerful amulet he was able to escape to another variant world But he could not so easily escape the destiny that seemed to pursue him As he fled from world to world each seemed to offer only greater misery and danger And now he was stalked by the mocking figure of the Jade Warrior a mysterious creature who waited patiently for his failure or death The final world was that of the Worm God Wyden from whom the Eye had been ripped and the Man of a Thousand Faces who sought to trap him into an eternity of futile degradation In the end Tralane was forced to flee once more back to face himself and his unknown beginnings SPECIAL BONUS This digital edition includes the previously unpublished story GHOST SWORD OF THE HEART **Gold Wings Rising** Alex London, 2020-09-01 In Gold Wings Rising the final installment of Alex London s Skybound Saga Kylee and Brysen must fight for their lives and their humanity Book 1 was a Today Show Book Club Pick The war on the ground has ended but the war with the sky has just begun After the Siege of the Six Villages the ghost eagles have trapped Uztaris on both sides of the conflict The villagers and Kartami alike hide in caves huddled in terror as they await nightly attacks Kylee aims to plunge her arrows into each and every ghost eagle in her mind killing the birds is the only way to unshackle the city s chains But Brysen has other plans While the humans fly familiar circles around each other the ghost eagles create schemes far greater and more terrible than either Kylee or Brysen could have imagined Now the tug of war between love and power begins to fray threatening bonds of siblinghood and humanity alike **Youth's Companion** ,1918 **Sea Of Stones** Florence Chanock Cohen, 1993-10-05 Set in Israel that is a love story a modern day morality play and a view of a controversial slice of history Winner Pushcart s 12th annual Editors Book Award *Our Paper* ,1918 *Adventure* ,1920 Common Science Carleton Washburne, 1920 The Young Pearl Divers Hubert Phelps
