events in Herbert's life that would find their way into speculative fiction's greatest epic. From his early years in Tacoma, Washington, through his time at university and in the Navy to the difficult years of poverty while struggling to become a published writer, Herbert worked long and hard before finding success after the publication of *Dune* in 1965. Brian Herbert writes about these years with a truthful intensity that brings every facet of his father's brilliant and sometimes troubled genius to full light. Insightful and provocative, this absorbing biography offers Brian Herbert's unique personal perspective on one of the most enigmatic and creative talents of our time.
