Climbing The Rainbow

Carol Arnold

Climbing The Rainbow:

Climbing the Rainbow Lloyd J. Ogilvie,1993-07-12 **Climbing the Rainbow** ,2003-11 For more than 150 years waves of poor immigrants flow into Passaic a small city in New Jersey seeking jobs and a new life The common dream of these hard working people is for their children to become educated and then successful in America Climbing The Rainbow And that s exactly what happens Each generation is educated in the city s school system then moved on to successful careers throughout our nation This mobility allows a new flood of even poorer immigrants to take their place The success process is again renewed This book contains twenty eight stories each written by a person who grew up or worked in the unique City of Passaic at different times during the last ninety years These authors are representative of the many ethnic racial and religious groups that live peacefully side by side in this unique melting pot city Quoting from one of the book chapter authors Jose Rodriguez who describes his reaction as a seven year old on his first day in Passaic As I walked into the parking lot on Market Street I entered a strange new world exciting and alive with activity life and color black white brown yellow and yes even red This was not the pigment on the walls of this parking lot but the skin tones of the youth in this piece of the world That day in 1978 in the wonderful City of Passaic I saw the rainbow that would make up the road of my youth it was the truest of melting pots Climbing The Rainbow Kathleen M Wandishin,2024-11-12 When Kathy s son John is diagnosed with leukemia at only 10 years old her life takes an emotional and transformative journey that no mother is prepared for As she navigates the trials of motherhood and loss Kathy uncovers the deeper truths of life faith and resilience With poignant reflections and heartfelt narratives she shares the insightful revelations that emerged from the depths of her grief and have given her the ability to seek joy again Inspired by her son s unwavering spirit in the face of unimaginable challenges Kathy reflects on life s most pressing questions Why are we here What is our purpose Through her trials both during her son s illness and in the years that followed Kathy discovers a reservoir of wisdom that she now shares to uplift and empower others Climbing the Rainbow is more than a memoir it is a beacon of hope for anyone facing their own struggles Kathy s honest and vulnerable storytelling offers readers the strength to embrace their journeys empowering them with the courage to confront adversity and find the beauty that lies within each moment Join Kathy in this heartfelt exploration and discover the life affirming truths that await on the other side of sorrow **Climbing the Rainbow** Lloyd J. Ogilvie,2008-07-06 Back in print from Lloyd Ogilvie Today s pressures can create an undercurrent of panic Stress failure grief anger pain loneliness or discouragement often leave us feeling empty and weary When the clouds of despair cover the sky and your life is soaked in by an endless storm your faith may falter as the questions build Why me Has God let me down What good can come of this You don t have to let daily problems steal your happiness Climb the rainbow Claim God s promise Live the abundant life God intends **Climbing a Rainbow** Calvin Horn,1966 Highly personal family experiences discovering the natural beauty of the high north Pecos Canyon area of New Mexico Climbing the Rainbow Peggy Jenkins,1911-11 **Climbing the Rainbow**

Joy N. Hulme,2004-02 Ideal for Little House fans this novel is about a young girl from a New Mexico homesteading family who starts school for the first time at the age of ten

Climbing the Rainbow Carol Arnold,2009-07-31 A book of short stories for children aged 8 11 years aimed at developing their interest and understanding of physical science The central character is Luke who is about 11 years old On his travels he meets various characters who sometimes take him to far away and magical places such as the moon the rainbow and the Mid Atlantic ridge In these places Luke talks to the characters he meets and starts to understand some of the wonders of science
