Beast of '77 Remastered Edition Shawn A. Jenkins, 2018-07-20 In 2012 Shawn A Jenkins created a new vision on an age old tale In 2018 that vision is revisited *Beast of 77 Remastered Edition* while the same story throughout presents a new take that eventually pulls to the forthcoming trilogy of *Beast* books Isaac Mercer struggles with the demonic force inside of him that longs only to eliminate everyone including the ones he loves No one believes his fateful warnings that something terrible lurks within him until it is far too late But as the case with every story this is only the terrifying beginning a beginning that will not relent Beast Of '77 Shawn A. Jenkins, 2012-05 In the winter of 1977 there came upon the town of Murray Ohio a grisly event For years it would go on to become one of the most baffling and heartbreaking cold cases in Ohio's history In one night seven people were gruesomely murdered inside their own homes by an unknown entity that no one has ever been able to identify But as with most tragedies this particular incident not only affected those whose lives were taken but also the ones that surrounded the entire case At times it takes one individual to transform the lives around them for the better or worse In Isaac Mercer's case a man just recently released from a short stay at a mental institution the better is all he can pray for But when strange blackout episodes and abnormal behavior resurfaces the worst only becomes his most terrifying nightmare come true His beloved small family is suddenly put back into harm's way once more and Isaac is forced to face the harrowing fact that evil has never left him it has only been waiting What does a man do when no one will believe him The Mischief Maker Madlyn Smith, 2010-12-08 During my life I have experienced many changes some good some bad and there is humor tragedy with a little history mixed in This is the story of my little town that grew too fast This is the story of my life as best as I can remember it I told it to my wife and she has written it TechTV Leo Laporte's 2004 Technology Almanac Leo Laporte, Megan Morrone, 2004 In this volume Leo Laporte and his co hosts at *The Screen Savers* TV show provide a year's worth of anecdotes tips factoids and musings about the machines at the center of our lives A page is devoted to each day of the year and each page includes several elements typically a single topic essay that takes up most of the page on subjects as varied as ergonomics Easter eggs in popular programs processor overclocking and discount travel Web sites and hints tips references to worthwhile software and goofy trivia As you make your way through the year you'll discover how

to keep PC hassles to a minimum while learning something about technology and its impact on society all delivered with the wit and wisdom of your favorite stars from The Screen Savers
