A Guide To Church Discipline:

A Guide to Church Discipline J. Carl Laney, 2010-03-01 Fears of disunity conflict and even legal problems have caused many church leaders to avoid confronting Christians who are living in sin Challenging the church's reluctance Dr Laney provides a biblical practical and loving handbook for pastors and lay leaders alike on church discipline **A Guide to Church Discipline** J. Carl Laney, 1985 **A Guide to Church Discipline** J. Carl L. Laney, 1985 *Guarding One Another* Bobby Jamieson, 2012-04-30 While church discipline is never easy it is sometimes a necessary albeit painful part of the Christian life This helpful study guide tackles the difficult topic in six chapters designed to focus discussion on the interpretation and application of biblical texts Groups will work through questions as they discover the role of church discipline seeing and practicing it in a gracious and loving way A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever This series explores the biblical foundations of key aspects of the church helping Christians to live out those realities as members of a local body Conveniently packaged and accessibly written the format of this series is guided inductive discussion of Scripture passages and is ideal for use in Sunday school church wide studies or small group contexts **Undermining the Gospel** Ronnie W. Rogers, 2015-09-02 The cruelest thing we can do is to let people remain in their sin when there is liberty to be lived Ronnie W Rogers Pastor Ronnie Rogers superb volume on discipline has provided the most detailed study that to my knowledge has been written in recent years Dr Paige Patterson president of Southwestern Seminary Writing as a biblical theologian Ronnie Rogers establishes the foundation for church discipline But Ronnie writes also as an experienced pastor who has worked out the biblical teaching on church discipline in real life Dr C Richard Wells distinguished professor of pastoral theology The Criswell College Senior Pastor South Canyon Baptist Church Rapid City SD Its hypocrisy for a local church to claim to believe the Bible and then willingly ignore the Bible's teaching on church discipline Its refreshing to see a local church pastor like Ronnie Rogers cry out so clearly against the apathy and disobedience that prevails in most churches on this issue Dr Donald S Whitney associate professor of spiritual formation Midwestern Baptist Theological Seminary [Church Discipline for Caring Christians](#) Robert S. Usrey, 1983 **Church Discipline** Jonathan Leeman, 2012-04-30 More and more church leaders pastors and members are looking for guidance on how to practice church discipline in a biblical way Here is a contemporary and concise how to guide that provides a theological framework for understanding and implementing disciplinary measures in the local church along with several examples of real life situations Drawing on both Matthew 18 and 1 Corinthians 5 this brief hardback helps leaders face the endless variety of circumstances and sins for which no exact scriptural case study exists sins which don't show up on any list and need a healthy framework to be corrected appropriately in love This volume is part of the *9Marks Building Healthy Churches* series Look for upcoming quick read formats of the following marks of a healthy church expository preaching biblical theology the gospel conversion evangelism church membership discipleship

and growth and church leadership **Walking Together, Leader's Guide** Wyman Lewis Richardson,2007-03-01 Walking Together A Congregational Reflection on Biblical Church Discipline is a study of the biblical concept of church discipline It seeks to show that church discipline rightly understood is a ministry of mercy and grace that will bless churches that return to it Walking Together reveals that church discipline was a ministry that was very important to earlier believers and that the modern church has abandoned it to her own detriment It is a clarion call for individuals and churches to come back to this vital but long neglected aspect of congregational and personal life By doing so churches can be healed and interpersonal relationships can be restored **God's word as guide in church discipline** A. H. (Abraham Heinrich) Unruh,195?

Manual Of Church Discipline Eleazer Savage,2023-07-18 First printed in 1799 Savage s Manual of Church Discipline is a classic work that has been used by churches of many denominations over the years This practical and accessible guide covers a wide range of topics related to church governance including membership discipline and the ordination of ministers This book is a must read for anyone interested in the history of Christianity or church administration This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Practical Guide to Ecclesiastical Discipline** Stephen Nsengiyumva,2018-11-04 Ecclesiastical

discipline has always been an important aspect of the church From the very first book of the bible to the last one discipline is an integral part of the life of the people of God Discipline has always been unmissable mark of the people of God Together with faithful preaching of the word of God faithful exercise of sacraments church discipline was seen by reformers as the third mark of the church This book sought to establish solid grounds that corrective church discipline is the highest expression of congregational love You must must love your brothers and sisters enough to confront them Church discipline is not a tool to cast people out of the church but it is an imperative practice and a tool given to the church to restore erring members back to the community and communion of believers

Walking Together, Student Workbook Wyman Lewis Richardson,2007-03-01 Walking Together A Congregational Reflection on Biblical Church Discipline is a study of the biblical concept of church discipline It seeks to show that church discipline rightly understood is a ministry of mercy and grace that will bless churches that return to it Walking Together reveals that church discipline was a ministry that was very important to earlier believers and that the modern church has abandoned it to her own detriment It is a clarion call for individuals and churches to come back to this vital but long neglected aspect of congregational and personal life By doing so churches can be healed and interpersonal relationships can be restored **Rebuilding the Walls** James Kelly,2020-06-22 There are few

situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership especially the leadership Too often we see the presence of sin as a fatal situation Yet sin properly dealt with rather than destroying the church or those involved may become a catalyst for growth both for the church body and those involved in whatever sin is present Christ and the apostle Paul laid out instructions for taking the presence of sin challenging those involved and restoring their walk with Christ Therefore we must if we consider ourselves as a spiritual people resolve to restore those impacted by sin and see them resume their walk with Christ Gal 6 1

Sin in the Assembly John Williamson,2007-11 What makes a local church distinct and different from a mere collection of religious people The Apostle Paul described the local church as a colony of heaven upon the earth but many churches appear to be a far cry from that model that Paul envisioned Every church regardless of its denominational affiliation should have a standard of both belief and behavior that is derived from the Christian scriptures the divine manual for church order But what should a church do if those standards are being violated among its own members Unfortunately there has been a growing trend in recent years to simply look the other way donat rock the boat and pretend such things donat existabut they do Here is a manual to address such a situation from a biblical perspective It begins with the Lordas own teaching regarding discipline within the local church A Treatise on Church Discipline, taken, principally, from the writings of R. Barclay, W. Penn, and I. Penington. Compiled by J. Scott Job SCOTT,1824 *Church Discipline* Warham Walker,2023-07-18 In this treatise on church discipline Warham Walker provides a comprehensive guide to maintaining order and accountability in church communities This book is a must read for pastors church leaders and anyone interested in the inner workings of religious organizations This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
