Beginning Reading Instruction in Different Countries World Congress on Reading Staff,1981 **Beginning Reading Instruction in Different Countries** ,1980 Resources in Education ,1998-07 **Reading and Reasoning** DOWNING,2013-11-11 I have written this book to put forward a new theory of reading the cognitive clarity theory But the book is not all theory I have tried to show how this theory can help students teachers and parents to improve children s education in reading at home and at school Although the cognitive clarity theory is new it is derived from other theories and from a wide range of educational linguistic and psychological research The cognitive clarity theory is thus a bringing together of the insights of many colleagues in these disciplines What the theory owes to these colleagues is clearly acknowledged as the evidence is presented But I must also be thankful for the experiences that have led me in this direction I worked as a school teacher for nearly ten years before I became an experimental psychologist During my years as a teacher I was often baffled by children s difficulties in learning to read Then only two or three years after qualifying in psychology I had the good fortune to be chosen to plan and conduct the first large scale experiment on children s reading in Britain

Facts and Fads in Beginning Reading Dina Feitelson,1988-01-01 Creating a strong link between up to date research findings and classroom practice this book analyzes compares and critiques prevalent classroom strategies in light of expertise available in other countries The theme of the volume that form and meaning can be united from an early point in the reading curriculum is clearly developed and reinforced from different perspectives The book is a distinctive blend of assimilated research results and cogently argued teaching recommendations It provides solutions to common problems that have proved successful in other countries and opens up alternatives that presently are not described in the literature
