Beginning To Remember:

7 Faye Savage,2017-08-31 I remember the day I accepted the Lord as my Savior The day darkness was stripped of its power over me The day that hope restrained hopelessness destiny devoured despair and death gave up the ghost to eternal life It was a day Ill never forget it was the beginning of a beautiful relationship I loved the Lord with all my heart soul and mind and yet somewhere along the way I got distracted and before I knew I was disconnected It began so subtly that I was caught unaware and before I knew I was lost and alone I had to find my way back to Jesus 7 begins with me bound in doubt discouragement and despair struggling to regain my relationship with the Lord The road ahead of me is filled with twists and turns that will require dedication commitment and perseverance My adversary is cunning and skillful in his attacks When he strikes the blows are devastating He has one goal and that is to destroy my relationship with the Lord His success or defeat will depend upon one thing Let the journey begin

Learning to Be You David D. Swanson,2012-09-01 We all want the confidence that comes from living out of our true identity but how do we get there We don t magically discover our true selves when we reach our twenties And some of us spend our entire lives feeling like we are living a lie We can be torn apart by our duplicity or we can become so comfortable with putting on various personas to suit our situation that we don t even realize we re doing it But if we are followers and disciples of Christ our identity is already decided What we need to learn is how to understand and embrace it In this honest and penetrating book David D Swanson calls readers to take off their masks discover the true source of their identities and enjoy the peace and satisfaction that comes from being authentic and transparent to ourselves our God and the people who surround us He gently leads readers from their hiding places to a life of conviction and courage

Through Minds' Eyes Ryan J. Hite, 2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity
